FULL HOUSE for the Granite City Plan Commission meeting at 2301 Adams St., Thursday afternoon, at which citizen objections were heard to several proposed zoning changes. The commission recommended approval of C-1 commercial zoning for a Denny's Restaurant at Nameoki Road and

Cottage Avenue. Several complaints also were aired against a plan by Madison City Alderman Richard Kiser, front row at left, who is to move his insurance office to 1907 Johnson Road. The commission voted 8-2 to recommend a special use permit for Kiser's new office.

(Press-Record Photo)

Restaurant plan is rejected again

A request for rezoning to construct a Denny's Restaurant at Nameoki Road and Cottage Avenue will be presented to the Granite City Council tonight, but bearing a unanimous recommendation from the Granite City Plan Commission that the request be denied.

Proponents of the restaurant would have to muster the votes of 10 of the city's 14 aldermen to override the plan commission recommendation. Law provides that the City Council must have a two-thirds vote of the full council to override the plan commission when there were

objections at the plan commission hearing on the issue. When no objections spoke against the issue, the city council may override the plan commission on a simple majority vote.

There were objections against the Denny's plan as more than 30 persons packed the small basement of the City Office building at 2301 Adams St. Thursday afternoon, to address the commission.

About half spoke against the Denny's Restaurant proposal and presented a petition bearing 58 signatures of residents in that area who were against the restaurant being located there.

There was little discussion on the issue as the developer, James T. O'Donnell, St. Louis, failed to appear to answer questions about his plans.

O'Donnell requested C-1 commercial zoning for the

location which presently is R-2 single family residential.

It marked the second time the plan commission has voted against rezoning for the Denny's Restaurant at that location. The first negative vote was April 24 and the city council concurred in the recommendation.

Specific objections to the restaurant included fears of excessive trash, noise and traffic, possible problems from the serving of liquor and a specific fear that problems of disorderly conduct at another nearby restaurant may be repeated at a new restaurant.

After O'Donnell was called upon several times from the floor, City Engineer Monroe Brewer commented, "It seems they (Denny's) are not interested enough to send someone."

The Plan Commission, noting the objections they heard during the April meeting and citing the new petition against the zoning change, voted unanimously to recommend that the city council deny the Denny's request.

After the request was denied, a resident of the area near the proposed restaurant asked the board, "Are we going to have to keep coming back here every two or three months and fighting this again?"

Commission members asked their attorney to prepare a recommendation that when the commission denies rezoning on a parcel of land for a specific use, that the same or other persons not be allowed to request rezoning for that same use for a period of one year after the original denial.

The attorney is to present the recommendation to the commission for consideration at its Oct. 15 meeting. If approved by the commission, it will be sent to the City Council for final approval.

The council also heard several objections to a request by Madison Alderman Richard Kiser, who is seeking a special use permit for 1907 Johnson Road, in an R-2 residential district.

Kiser explained at the meeting he intends to establish his MFA Insurance office in one room of the house and rent the

(Continued on Page 8)

More natural gas available

All residential and small commercial customers who applied on or before Sept. 11, 1974, for natural gas for space heating in quantities of 15 therms per hour, or less, will be eligible to receive gas this fall, Illinois Power Company announced here Friday.

The release of gas service is based primarily on the continued growth and development of Illinois Power Company underground gas storage fields, on a slight reduction in the amount of curtailment forecast by one of the company's pipeline suppliers, and on the rate of acceptance of the new limited firm gas service rate by the company's interruptible customers.

The new rate was ordered by the Illinois Commerce Commission, and was filed by Illinois Power Co. on Aug. 22. Interruptible customers had until Sept. 11 to accept, or decline, the rate.

At the time of filing, the company stated that the release of space heating gas this fall would be determined in part by the acceptance of the new rate by interruptible customers.

Illinois Power operates eight underground gas storage fields at various locations in Illinois. Three of these fields, Eden, Shanghai and Hillsboro, have been placed in service since the shortage of natural gas developed in 1970.

The Hillsboro field will be used for the first time this coming winter. Natural gas is stored in the fields in the summer and withdrawn in the winter to serve customers who heat their homes, stores, schools and offices.

All future IP gas service, other than water heating and cooking, is on a strict priority system approved by the Illinois Commerce Commission.

Applications are placed on file and, when additional gas is available, it is released in the order of applications filed. The last gas released was in March 1973.

After nearly 11 hours of deliberation, a jury in East Alton Thursday night returned guilty verdicts against three men in connection with a burglary June 10, 1973, of Gasen Drugs, 3401 Nameoki Road.

The verdicts were returned at 11:10 p.m. Thursday in the East Alton courtroom of Judge Harold Clark.

Found guilty of burglary were Billy Joe Castille, 31, of the 2100 block of Missouri Ave., Fred Fairfield, 39, Pierron, and Paul Dean Fisher, 39, Lakeview Drive, Ponton Beach.

Attorneys for the three announced they will file post-trial motions within 30 days, asking for a new trial.

The verdicts ended the second trial on the charges against the three men. The first ended in a mistrial being declared after the jury was unable to reach a verdict.

About six Granite City police officers testified the three were arrested behind the back fence of Gasen's about 7:30 p.m. on the night of the burglary. A key to the inside lock of the Gasen's back door was found in Fairfield's clothing, officers said.

Several heavy tools were in the back yard of the store and a duffle bag containing narcotics was found inside near the back door, the jury was told.

The defendants did not take

Quiet greets 2 walking officers

By WALTER F. STRANGE / Press-Record Staff Writer

Curiosity, friendly welcomes and quiet streets greeted Madison Police Officer Thomas Voloski and Auxiliary Officer George "Jake" Toenyes as they

launched the new "walking patrol" program in Madison Friday evening. The program was started by Mayor Mike Sasyk and other city officials in order to curb vandalism and to create a

better relationship between the police and citizens of Madison. Complaints from the public have come from the eastern area of Madison, West Madison and the Greiner and Garesche Homes vicinity. These will be

the areas of concentration of the walking officers. Chief of Police Frank Ditko says.

The exact schedule and locations of the patrols will not be made public and could be any time of day or night, the chief explains.

The two officers first went to West Madison and parked their squad car near a group of teenage boys playing basketball at Dunbar school. When the car pulled up, the boys were curious and asked the police, "What's going on?"

Voloski assured the young men that there was no trouble and explained the new program.

"Do you think we will have any problems walking around here?" Voloski asked.

"Heck no, man," one of the boys replied. "Someone might drive by and call you a name, but there ain't no one going to bother you."

As Voloski was talking, a resident of the area, Floyd Jenkins, stopped in his car to ask, "What's happening?"

Toenyes explained the walking program to Jenkins, who thought it was a good idea.

The officers next stopped at several homes and explained the patrol program.

Former Madison police officer Leon Bland, now with the Illinois Revenue Department, saw the officers walking and stopped them to chat. Bland commented, "I think this is a fine idea, if you have enough men to do it."

The officers talked briefly with Tom Garrett, operator of Garrett's Lounge, to explain the program.

They then went to two vacant houses to check them.

Later Friday evening they parked in Second Ward Alderman Donald Broyles' driveway.

A group of about 50 citizens had complained at the last City Council meeting.

GC schools won't borrow in '74-75

By GARY SCHNEIDER / Press-Record Staff Writer

"I can not give you an iron-clad guarantee for years to come, but I will guarantee you that this year Granite City Community Unit District number 9 will not have to borrow to meet our obligations," B. J. Davis, superintendent of schools for Granite City, predicted during a luncheon with governmental leaders Thursday afternoon.

"I come here with good news and bad news," Davis said, adding, "The bad news is the

budget is up, but the good news is our tax rate is down, and that is pretty hard to do in this day and age," he said.

Davis addressed government leaders from Granite City, Granite City Township, Nameoki and Venice townships and school administrators during the luncheon which was held to explain the school district's annual budget.

A public hearing on the 1974-75 fiscal year budget is to be held at tomorrow night's Granite City Board of Education meeting at 7:30 p.m.

in the school board office buildings, 20th and Adams streets.

The tentative budget of \$21,689,810 is up \$2,082,327 from last year's budget, but an increase in the district's assessed valuation and higher anticipated income from federal and state programs and other sources are expected to decrease the tax rate by 40 cents per \$100 assessed valuation.

Davis explained the new

Regional backing for airport urged

Regional action must be taken at once to get St. Louis back in the running for direct transatlantic airline service, the Illinois-Missouri Progressive Airport Creation Taskforce (Impact) said Friday.

Impact is a bi-state organization seeking to preserve and improve Lambert Field while proceeding with a major new international airport for St. Louis at Columbia-Waterloo, Ill.

It issued a cooperative pledge of action to improve Lambert and begin planning and construction of the new field would be a strong argument for reinstating

St. Louis in the competition for transatlantic service.

The organization called on Missouri and Illinois officials to join in assuring the Civil Aeronautics Board that St. Louis will have adequate airport capacity for the needs of such international operations.

"Those interests that are working against a new regional airport cannot have it both ways," Impact said. "They cannot have limited facilities and aviation growth at the same time."

"Those who rejoice at low aviation forecasts for Lambert must recognize that the potential of future growth is

thereby diminished.

"If they are serious about making the St. Louis area competitive with America's other big cities, then they must get behind sound development of airport facilities."

"It was a serious blow when the Department of Transportation recommended dropping St. Louis from consideration for transatlantic service, but there still is time to repair the damage. DOT's criteria indicate airport capacity is a basic element in the decision, which means St. Louis could still win its case by

Southern Illinois University at Edwardsville will seek \$34.1 million in state appropriated operating funds and \$12.6 million in capital funds for the fiscal year beginning July 1, 1975.

The budget requests are part of a Resource Allocation and Management Program (RAM) approved Thursday by the SIU Board of Trustees.

Approval of the document is the first in a series of steps required by the trustees and the Illinois Board of Higher Education in development of actual operating and capital fund budgets. The RAM document will be forwarded to the BHE.

The operating budget request

represents an increase of \$6,121,000 over funds appropriated for the current fiscal year and present budget totals \$28,259,000, including a one-time appropriation of \$250,000 which will not be renewed in fiscal year 1975-76.

New operating budget requests include \$1,322,000 for expanded and new academic programs, a \$250,000 increase in student wages to meet provisions of the federal minimum wage law, \$175,000 for equipment, \$3,288,000 for salary increases, \$520,000 for anticipated price increases on items the University must purchase, \$545,000 for operation and maintenance of physical plant to cover additional space

in new buildings, and \$12,000 for refunds to withdrawing students.

The \$14.1 million request does not include \$4,044,000 in retirement contributions based on state formulas.

Under new and expanded academic programs SIUE is requesting:

—\$463,741 for health-related programs for increased support for the School of Dental Medicine and the School of Nursing, and funding for the master of science program in clinical biochemistry.

—\$271,973 for urban and problem-solving curricula, including support for a

GOP in state forms group to broaden base

Illinois Republican State Chairman Don W. Adams has announced plans to form a statewide Republican committee to ensure the broadest possible participation by the voting population in the Republican Party.

Adams said the committee will be called the Illinois Republican Positive Action Task Force and he has asked leaders in each of the state's 24 Congressional districts to submit names of persons interested in serving on this committee.

David E. Brown of Wilmette and State Rep. Celeste Stiehl of Belleville will serve as co-chairmen.

Adams said, "This task force fits in perfectly with the new Republican attitude in Washington and in Illinois. We are throwing the party doors open wide to invite everyone in who wants to participate in Republican politics."

Adams said in support of this statement that the Republican National Committee has urged every state to form groups along these lines, and several states have already done so.

He added, "Our task force will go further than those proposed in other states, however."

"Since it has statewide Republican leadership support, it is free to make recommendations in party operation—not just on the national level, as envisioned by the National Committee, but also with the Republican operation here in Illinois."

Adams asserted, "The Republican Party is now officially committed to broaden its base and is the only party in Illinois able to make this pledge."

REPORTS BURGLARY

Dennis Coleman, 1731 Poplar St., reported last week that a shotgun, shells, syringe and a television were stolen from his home. The front door window was broken to gain entry, he said.

BICENTENNIAL WORKSHOP. Dr. Samuel A. Lilly, executive director of the Illinois Bicentennial Commission, left, greets Dale Ashmore, teacher at Granite City High School North, right, and a Bloomington, Ill., teacher, Thomas J. Perkins Jr., who's dressed in a replica of the uniform worn in 1779 by the 2nd Virginia Light Infantry. The trio was among 40 elementary and high school teachers from throughout Illinois who participated in a recent Bicentennial Teachers' Workshop on the Sangamon State University campus in Springfield. The workshop prepared a Bicentennial Teachers' Resource Guide, which will be available for use in the classroom during the Bicentennial Anniversary year of the United States in 1976, and which will be distributed free to the 5,835 public and private schools in Illinois. The workshop was co-sponsored by the Illinois Bicentennial Commission, Sangamon State University, Illinois Council of Social Studies, and the Illinois State Historical Library.

Nine divorces granted

Nine Quad-City couples have obtained divorces in Madison County Circuit Court. Divorced were:

Rhonda J. (Maritt) Parks from William T. Parks, both of Granite City. They were married May 25, 1973. Mental cruelty was charged.

Patsy Ann (Gage) Hillgoss of Granite City from James R. Hillgoss of Philo, Ill. They were married Aug. 30, 1968. Mental cruelty was charged. Custody of one child was granted to the mother.

Carla Ruth (Grissman) Garver from Dennis Garver, both of Granite City. They were married Feb. 17, 1973. Mental cruelty was charged. Her former name was restored.

Ronald J. Valicoff of Granite

City from Bridget (Stein) Valicoff of St. Louis. They were married Dec. 3, 1971. Mental cruelty was charged. Her former name was restored.

Norma Lee (Huff) Flowers from Johnnie L. Flowers, both of Madison. They were married Dec. 26, 1951. Mental cruelty was charged.

Velinda L. (Valenzuela) Riebeling of Granite City from Vernon L. Riebeling of East St. Louis. They were married Aug. 8, 1973. Physical cruelty was charged. Custody of one child was granted to the mother.

Mary Lou (McGuire) Michaels from Charles Edwin Michaels, both of Granite City. They were married July 10, 1971. Mental cruelty was charged. Custody of one child

ARREST HITCH-HIKER

A hitch-hiker questioned by Pontoon Beach police at South Street and Route 111 Wednesday evening was identified as James M. Kouba, 17, West Chicago, who was wanted on a warrant charging theft from an auto. Kouba was turned over to the Madison County sheriff's office.

was granted to the mother.

Hwa Cha (Ho) Adkins of Granite City from Velmar Ray Adkins of Columbia. They were married Nov. 2, 1972. Mental cruelty was charged.

Shirley Ann Boushong of Glen Carbon from Bob J. Boushong of Granite City. They were married April 7, 1956. Mental cruelty was charged. Custody of two children was granted to the mother.

Democratic House control is foreseen

By KEN WATSON
Press-Record Staff Writer
A Democratic Illinois House in 1975.

That's the current view from the Statehouse Dome.

The sudden and surprising withdrawal of Springfield Republican W. Joseph Gibbs from the 50th District race strengthened an already growing feeling at the Capitol that Republicans in the November election will lose their existing one-vote edge that means control of the House.

Democrats are being predicted to capture control of the House for the first time since 1945 when Chicago's John Touhy, now Democratic state chairman, was elected speaker.

Republicans regained control of the House in the 1966 election and succeeding Touhy as speaker was the late Ralph T. Smith of Alton. He was followed by Jack E. Walker of Lansing and the present speaker, W. Robert Blair of Park Forest.

The capitol city district is not the only one where Democrats are rated a good chance of reversing the present 2 to 1 edge in favor of Republicans.

Prospects of Democrats electing two House members are also rated as promising in the 36th District, Rock Island-Moline area, the 54th district in southeastern Illinois, including Effingham and Mt. Vernon, and Blair's own 42nd District of Will County (Joliet).

Districts where Democrats have the 2 to 1 edge, predominantly in Chicago, are considered relatively safe. These include Western Madison County.

Although Republicans have been far from optimistic about the House races all along, there was a resurgence of hope after Gerald Ford succeeded to the presidency that 1974 might not be a loser after all.

But the Gibbs withdrawal was a catalyst that has brought on a new wave of despair. The blow was felt statewide because this is the capital and there haven't been two Democrats elected from this district in more than 50 years.

There has been a feeling, though, that the Democrats had a 50-50 chance of doing so this year, and many politicians feel that Gibbs dropped out of the race in fear of losing.

Now the mantle of favorites has been placed on Democratic incumbent James T. Londrigan and his running mate Douglas Kane, who made a creditable showing in a bid for a House seat in 1970.

Republican incumbent J. David Jones, who ran high two years ago, is given a good chance of repeating but the Republican successor to Gibbs, however he might be, is already cast as an underdog behind Londrigan and Kane.

In the 54th District, the death of Republican Rep. Ben C. Blades offers an opportunity for election of a second Democrat

to team with Rep. Charles F. Keller of Effingham.

Keller usually runs far ahead of the field, but this year Democrat William L. O'Daniel of Wayne City is expected not only to get his share of Democratic votes but quite a few Republican and independent ones as well.

Republican incumbent Roscoe D. Cunningham of Lawrenceville is rated a good bet to be reelected but running mate Leslie C. Elliott of Mt. Vernon is reported in trouble.

In the 36th District, the retirement of popular Rep. Pete Pappas gives Democrats a shot at electing both incumbents. "Jake" Jacobs and the bearer of a famous name, Clarence A. Darrow. He's no relation to the legendary lawyer of the Scopes and other trials.

Republican incumbent Ben Polk is expected to make it again, but the Pappas replacement, Robert O. Williams of Rock Island, may not.

Because of his early support of unpopular Regional Transit Authority (RTA) legislation, Blair is no longer considered a sure thing in the 42nd District. His 1974 primary vote was down sharply from 1972.

Democrats George E. Sangmeister, an incumbent, and LeRoy VanDuynne may accompany Republican Harry D. Leinenweber into the winners' circle in November.

These are the four most ominous districts for the Republicans. A fifth could be the 34th, the Rockford area, where Democrats are rated some chance of electing two representatives in what has been traditionally a pro-Republican area.

Terminal Railroad named in law suit

Richard Bentrup has filed suit seeking \$20,000 from the Terminal Railroad Association of St. Louis in the Madison County Circuit Court.

Bentrup alleges that on May 15, 1974, while employed as a carman, he suffered an ear injury caused by debris blown by a train from a burner which he was operating on a railroad car.

Autos said to have only minor impact on pollution

Two articles discussing the findings that smoking and work exposure are the most important sources of carbon monoxide in the St. Louis area were published in the September issue of Archives of Environmental Health, a publication of the American Medical Association.

The reports are an outgrowth of a National Science Foundation grant to the Center for Urban and Environmental Research and Services (CUERS) at Southern Illinois University at Edwardsville.

The findings were revealed in a preliminary report presented in December at the annual regional conference of the Missouri Planning Association, held in St. Louis. The report was read in part before the International Academy of Pathology in San Francisco in March.

The articles published in Archives magazine are:

"Carboxyhemoglobin Sources in the Metropolitan St. Louis Population," by Alfred Kahn, professor, earth sciences, and research specialist for CUERS; Robert L. Rutledge, professor of mathematics, SIUE; Dr. Gustave L. Davis, associate professor, Washington U.

School of Medicine and pathologist for Jewish Hospital; Jane A. Altes, associate professor of sociology and assistant director of CUERS; Dr. George Gantner, professor, department of pathology, St. Louis U. School of Medicine, and St. Louis County medical examiner; Charles A. Thornton, assistant professor of earth sciences, SIUE; and Norval D. Wallace, professor of mathematics, SIUE.

And "Smoking and Carboxyhemoglobin in the St. Louis Metropolitan Population—Theoretical and Empirical Considerations," by Wallace, Dr. Davis, Rutledge and Kahn.

The articles conclude that prohibiting smoking apparently is more important than the reduction of automobile exhaust emissions in controlling the carbon monoxide problem in the St. Louis metropolitan area population.

The studies were based on 16,499 blood samples obtained through the cooperation of the Missouri-Illinois Red Cross Blood Program. Also cooperating with the research, which was begun in October 1971, were the Washington University School of Medicine,

St. Louis University School of Medicine and the Jewish Hospital of St. Louis.

The studies show that higher levels of carboxyhemoglobin (combination of carbon monoxide and hemoglobin, the oxygen-carrying protein of blood) are associated with smoking and industrial work.

According to Kahn, "Ambient carbon monoxide (largely from automobile exhaust emissions) does not appear to have more than a minor effect on the levels in humans in the St. Louis area."

Kahn said the results indicate a need to reassess the environmental sources of carbon monoxide in relation to national clean air standards.

He pointed to the use of the catalytic converter to reduce carbon monoxide emissions from automobiles, which was approved by the federal Environmental Protection Agency. Recent studies by the EPA indicate the catalytic converter may increase emissions of sulphates which aggravate bronchitis and asthma.

"Our findings raise serious questions about the desirability of proceeding with the catalytic converter method as a means of reducing air pollution," Kahn said.

"Relative to carbon monoxide, we should be doing things like prohibiting smoking in public places, increasing inspection of carbon monoxide levels in work places, and making industrial workers aware that they are a population at risk, particularly if they smoke."

PLANS FOR BICENTENNIAL activities in Southern Illinois are discussed at a meeting at Southern Illinois University at Edwardsville chaired by Senator Sam M. Vadalabene (center of photo), an active member of the Illinois Bicentennial Commission. Preparations are being made to observe the 200th anniversary of the United States in 1976.

GC school free meal policy

Granite City Community Unit District 9 has announced its policy for free meals, free milk, and reduced price meals for children unable to pay the full price of meals and milk served under the National School Lunch and Special Milk Programs.

School officials have adopted the following family size and income criteria for determining eligibility in 1974-75. Family size of one through 12 for free meals, \$2,910, \$3,830, \$4,740, \$5,640, \$6,480, \$7,310, \$8,060, \$8,810, \$9,510, \$10,120, \$10,860, \$11,530.

Family income limit for reduced-price meals, \$4,000, \$5,360, \$6,520, \$7,900, \$9,070, \$10,240, \$11,290, \$12,340, \$13,320, \$14,260, \$15,200, \$16,140.

For each additional family member the limits rise \$670 for free meals and \$940 for reduced-price meals.

Children from families whose income is at or below the levels shown are eligible for free meals, free milk, and reduced price meals. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 per cent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

In certain cases foster children are also eligible for these benefits. If a family has such children living with them and wishes to apply for such meals for them, they should contact the school.

In the operation of child feeding programs, no child will be discriminated against because of his race, sex, color, or national origin. Under the provision of the policy, Dale C. Rea, assistant to the superintendent, will review applications and determine eligibility. If a parent is dissatisfied with the ruling of this official, he may request either orally or in writing to Vasil Eftimoff, director of Pupil Personnel Services, whose address is Board of Education Office, 20th and Adams streets, for a hearing to appeal the decision.

Hearing procedures are outlined in the policy. A complete copy of the policy is on file in each school and in the Board of Education Office, 20th and Adams, where it may be reviewed by any interested party.

Masquers awards are presented at banquet

The annual installation and awards banquet of the Masquers took place at the Granite City Army Installation, with officers installed for 1974-75.

New officers for the year are: Mrs. Howard Dartt, president; Jack French, vice president; Cheryl Pikoriat, secretary; and Chuck Norris, treasurer.

As retiring president also, the members presented Mrs. Dartt with an unexpected gift of a coffee carafe for her leadership in the last year.

Chairman of the banquet, Mrs. Ronald Pennell, presented the program for the evening, a "celebrity auction."

Ronald Pennell was auctioneer and items such as a half-eaten sandwich from "Picnic" and a wine glass for serving elderberry wine from "Arsenic and Old Lace," drew many laughs.

The history of 1973-74 was read by Historian Cheryl Pikoriat. Events which made history for Masquers were the lowering of their membership age limit to 18 and the formation of an Explorer post for young people interested in theater.

Installing officer was Mrs. Leon Scroggins, past president. The Masquers' production of "Wait Until Dark" swept the trophies, with best actress and actor award going to Marelle Zaganelli for her role as Susie and to John Melford for his portrayal of Sam.

Each year a trophy is presented to an outstanding Masquer member who has put forth unusual effort in Masquers' endeavors for the year. Mrs. Dartt received this honor for 1973-74.

It was noted that there are many young adults who help the Masquers in their productions, both on stage and behind the scenes, who are not 18 years old

and cannot become members.

"They volunteer their time and their only reward is self-satisfaction and love of the theater," it was noted. Outstanding young adults in the past year who were awarded a junior Masquer membership were Colleen Carpenter of Belleville, Mike Gresham of Collinsville and Annette Taroff of Granite City.

Dancing followed the banquet, to the music of the Black and Blues Band.

The Masquers' season will consist of "The Mikado" in November, "Alice in Wonderland" in January, "Butterflies Are Free" in March and "Hello Dolly" in June, the directors being Al Erickson, Beverly Scroggins, Jim Swank and Chuck Norris, respectively.

Those interested in joining Masquers may contact Jim Swank, membership chairman, at 344-1823 or President Betty Dartt at 397-0326.

Seek release of budgeted capital funds

The Southern Illinois University Board of Trustees on Thursday approved a request to Gov. Dan Walker for release of \$3,185,000 in capital appropriations authorized for SIUE during the current fiscal year.

The money was included in appropriations bills passed by the State Assembly and signed earlier by the governor.

The request for release of funds includes \$1,500,000 for expansion of the heating and refrigeration plant, \$1,400,000 for equipment for two classroom buildings now under construction, \$125,000 for remodeling and rehabilitation of the Broadview Hotel which houses the East St. Louis Center, \$100,000 for remodeling of the SIUE School of Dental Medicine in Alton, and \$60,000 for remodeling of existing classroom buildings at Edwardsville.

Trustees were advised that SIUE is anxious to proceed on each of the projects.

Dinner theatre production

"I Do, I Do," a musical comedy starring Mrs. Beverly Scroggins and Paul Mabry, will be presented on Friday, Saturday and Sunday evenings, Sept. 27, 28 and 29 at Niedringhaus United Methodist Church.

The show is being presented as a dinner theatre production and will be performed at 8:15 p.m. on Friday and Saturday evening, preceded by dinner at 7 p.m. Sunday dinner will be served at 6 p.m. and curtain time is 7:15 p.m.

Tickets costing \$6.50, to include dinner and show, are available by calling Mrs. Anne Slate at 931-2591 or Mrs. Margaret Pennell at 877-5537. Each performance is limited to 125.

Proceeds from the production will be divided as a benefit for the Methodist Church building fund and to establish a fund for promoting a live theatre in the Granite City area.

The comedy is a story of a marriage with the wedding as the opening scene. Through the years the couple becomes disenchanted with each other and their marriage.

Humorous scenes continue as Agnes, played by Mrs. Scroggins, and Michael, portrayed by Paul Mabry, compare lists of each other's irritating characteristics after several years of marriage and two children.

WEDDING CEREMONY, the opening scene of the production of "I Do, I Do" to be presented at Niedringhaus United Methodist Church, Sept. 27-29. Portraying the lead couple are Mrs. Beverly Scroggins as Agnes and Paul Mabry as Michael.

Women to host bazaar

The Women's Society of Niedringhaus United Methodist Church heard a talk by four young people who attended church camp this summer at its meeting Tuesday night in Wesley Hall.

Camp reviews were given by Bruce Groshong, Paul Anschutz, Kevin Baugh and June Williams under the direction of their leader, Mrs. Katharina Treudwell.

Mrs. Treudwell read a poem taken from the book entitled "The Prophet," in relation to children.

Mrs. Betty Williams presided at the business session as members voted to hold the annual church bazaar on Nov. 22.

100 attend Granite City Steel Women's Club dinner

Granite City Steel Women's Association held its first meeting of the 1974-75 season at the general office cafeteria that was decorated in red and white, accented with red apples and fruit bowls.

The main table was centered with a large fruit bowl and baskets of real and artificial fruit and red candles decorated the other tables which were covered in red and white checked tablecloths, red coin purses were used as individual favors.

Mrs. Peggy Solberger, president, addressed the 100 members, the largest attendance recorded by the club. Mrs. Kathleen Murphy gave the invocation.

After dinner the president

introduced the officers, Jerry Dublar, vice-president; Frieda Riecken, treasurer; Joyce Hayes, recording secretary; Nancy Cook, corresponding secretary, and appointed Ginny Ansley as historian for the year.

Entertainment for the evening was a demonstration of folk and decorative painting given by Karen Machino.

Jerry Dublar, program committee chairman, introduced her committee which assisted with the arrangements. They were Nellie Dierker, Virginia Momphard, Kathleen Murphy, Ruth Rami and Betty Goldsch.

Mrs. Solberger announced the next meeting on Oct. 8 will be "bosses night."

Webster PTA opens season

Clyde Lee, principal of Webster School and president of Webster PTA, along with members of the faculty of the school, explained in detail the learning levels in their reading program during the first PTA meeting of the season last week.

Parents of the students and members of PTA were told of the individuality of reading skills based on the competence of each child and guided on the

level of their ability. This method is designed to enable each person to progress at his or her level of achievement, but more important that they may comprehend what they read.

President Lee appointed chairpersons and other help for numerous committees as a result of replies received from a questionnaire submitted to each parent.

Plans are being developed for the annual Webster Spook Carnival on Friday, Oct. 25 at the school.

Discussion was held on the advisability of continuing monthly meetings of the PTA because of the lack of interest and attendance. In recent years the popularity of PTA has taken a downward trend and donated help is difficult to attain. As a result, Mrs. Shirley Flinn has volunteered to chair a telephone committee whose work will be to call each parent prior to every meeting and encourage their attendance and membership.

A tea for kindergarten parents will be held in the near future. Mrs. Burnis's fifth-grade room was lauded for having the most number of parents attend the meeting. Refreshments were served to those present by the executive board of the PTA.

Party honors bride-elect

A bridal shower was given in honor of Miss Kathleen Davis at the YMCA by Miss Joyce Johannesse, Miss Jeanne Pieper, Mrs. Debbie David and Mrs. Kay Pieper. Assisting the hostesses were Mesdames Pat Bushner, Shirley Copeland, Criss Warnecke and Judy Dallas.

A centerpiece of apricot-colored roses, white snow crystal pom poms and baby breath was used on the bridal table and vases with matching flowers centered the individual tables.

The honoree will become the bride of Alan Pieper on Oct. 12 at St. Elizabeth Church.

Those attending were Misses Erma Geist, Catherine Geist, Donna Kay Klug, Emma Roman, Carol Wolfe, Rose Roman; mothers of the couple, Mrs. Emily David and Mrs. Betty Pieper, and grandmothers Mrs. Anna Buehrer and Mrs. Elizabeth Dutchek. Mesdames Betty Bell, Dolores Roysche, Dorothy Renaud, Mildred Brown, Mary Schmittling, Edna Hackett, Diana Cox and Michelle, Dorothy Neuninger, Pauline Ignatz, Criss Warnecke, Verna Klug, Pat Buehrer and Susie, Sheri Golehor, Hilda Klug, Ray Fyalka, Jackie Wadlow, Ann Pieper and Vickie.

Dorotes Dorch, Shirley Singleton, Cathy Casey, Shirley Copeland and Becky, Phyllis Price, Judy Maupin, Lois Welton, Jamie Dutchek, Billie Young and Diane, Mary Lahey, Margie Martin, Otto Hoppe, Erma Geist, Vera Mae Friedel, John Kurze, Rita Hachetel, Emitt Copeland, Kathryn Gray, Margaret Crawshaw, Lee Dutchek, David Vancik, Robert Vancik, Clarence Zabal, Carla Johannesse, Steffie Lizbar, Viola Carey, Lynn Quvar, Frank Fyalka, John Jachek, Dorothy Hachetel, Helen Cankar, Freda Widdows, Mary Hanks, Marion Hachetel, Pat Guenther, Jerry Rill, Dorothy Luaders, Sharon McGovern, Judy Dallas, Agnes Hillmer, Debbie Magary, Mary Pieper, Juanita Klug, Charlotte Flowers, Kary and Ann Marti, Mary Hachetel, Denise Kamaduski, Benetta Boyd.

Members of the scouts reserve are handling arrangements for this event.

Den leaders tea planned

The Cahokia Mound Council, Boy Scouts of America, will hold a Den Leaders Tea on Oct. 5 at the First Granite City National Bank, 20th St. and Edison Avenue from 2 p.m. to 4 p.m.

This will be the second time the tea has been held and will be an annual event. The Den Leader of the Year Award will be presented to an outstanding den leader who has been nominated by her unit. Deadline for the nominations is Sept. 16, officials announced.

All unit committees are invited to attend the event and meet the council president and members of the executive board.

Members of the scouts reserve are handling arrangements for this event.

Baptist classes host joint dinner

The Queen Esther, Phoebe and Bethany Classes of the First Baptist Church in Madison held a joint pot luck dinner in the education building of the church.

Preceding the dinner, the Rev. Paul Davis gave the blessing and Mrs. Pauline Cory gave a devotional on "Let Your Life Shine."

Then each class retired to the meeting rooms for individual business sessions. Those attending the event were the Rev. and Mrs. Paul Davis and son, Kevin, and Ruth Hannebrink, Eula Lively, Bertie Hobbs, Peggy Immar, Ethel Stone, Nard Birtley, Naomi James, Mary Stanfill, Verna Willman, Ora James, Nora Rogers, Altha Lassen, Opal R. Fogel, Hilda Jackson, Nellie Polotzk, Vasta Williams, Jessie Stein, Gerie Ashford, Jewell Ratliff, Bernice Whitten and Pauline Cory.

GRAND OLE OPKY PERFORMERS. Tammy Wynette and Dewayne Orender, formerly of Granite City, are shown following a performance in a Grand Ole Opry show in Nashville. He is the son of Mr. and Mrs. Robert Orender, 207 Paradise Lane, Mitchell.

Dewayne Orender in Nashville

Dewayne Orender of Nashville, Tenn., formerly of Granite City, performed last weekend with nationally known country western stars at the Grand Ole Opry.

Appearing with the 25-year-old singer were such stars as George Jones, Tammy Wynette, Faron Young, Jeannie Pruitt, Barbara Fairchild, Porter Wagoner, Ralph Sanley and the Tennessee Travelers. Orender has had 100 songs published by the Acuff-Rose Co. in Nashville and a year ago the famed country music star Faron Young recorded the song

"Let's Be Alone Together," written by the former resident. He is the son of Mr. and Mrs. Robert Orender, 207 Paradise Lane, Mitchell, and is a 1967 graduate of Granite City High School. His father also is a country musician.

Prior to moving to Nashville six months ago, Orender owned and operated the Dewayne's Beauty Shop in Mitchell for two years, and The Clothes Closet on Madison Avenue for a year.

Orender reports he has recorded four songs of his own and they should be on the market soon.

Cloverview club aids nursing home

Cloverview Garden Club members agreed to prepare a flower arrangement each month to be donated to the Colonial Haven Nursing Home during a meeting in the home of Mrs. Fred Orr.

Other plans include a plant and houseware sale Oct. 8, and a continuing study of the book, "The Constance Spry

Encyclopedia of Flower Arrangements."

Mrs. John Jenkins presented a program on "miniature arrangements," followed by a discussion on the construction, plant material and containers used in the exhibits. Assisting Mrs. Jenkins with the exhibits were Mrs. Kenneth Brokaw, and Mrs. Joseph Ochao.

A dessert luncheon was served by Mrs. Orr to nine members, including Mrs. John Lentz, Mrs. George Knapp and Mrs. Robert McCauley.

Lesche plans fashion show

A fashion show and tea will highlight the guest day meeting of Lesche Literary Club on Oct. 8 at Niedringhaus United Methodist Church, according to a report by the club president, Mrs. Walter Klein, at a meeting last week.

Mrs. Klein announced several members will take part in the public. Tickets will cost 75 cents and reservations must be made by Sept. 27 with Mrs. Frank Mercer or Mrs. Lee Stevens.

The meeting was held in the home of Mrs. Norman Holsinger in Collinsville with 15 members and one guest, Mrs. Steve English, attending.

Mrs. Stevens introduced Mrs. James Stuart, who reviewed the book "Silas Marner" by George Eliot, as the program for the day.

Mrs. James Stuart and Mrs. Bernard Miller gave each a review of a new book. Roll call was answered by each with a current event topic.

Xi Theta Omega plans socials

Xi Theta Omega Chapter of Beta Sigma Phi Sorority finalized arrangements for two social evenings with members and their husbands at a meeting last week in the home of Mrs. Carol Davis, 3322 Redoubt Ave.

Members will host a hayride on Oct. 26 and attend a St. Louis hockey game on Sept. 28.

The remainder of the evening was spent in a fund raising auction.

Attending were Ellen Wilson, Barbara Haddock, Mary Jane Wasyiak, Pat Chasteen, Barbara Dickerson, Judy Russell, Julie Gates, Donna Sprankle, Pat Howard, Linda Pickett, Sharon Rush, Mary Baker and a guest Shirley Fountain.

Mrs. Howard will host the Sept. 25 meeting.

SELLING YOUR HOME? Call REINHART, Realtor

Cub Scouts visit circus

A group of Cub Scouts visited the Shriners' Circus in Belleville last week. Attending from Pack 8, sponsored by the First United Presbyterian Church, were John Desheria, Charles Pickett, Scott Poole, Mark Vanyo, Jamie Cormier, John Misturak, David Wiser, Ronald and Donald Miller, and Christopher Nash; from Pack 108, sponsored by the Lake School PTA, was Richard Dermott.

Others on the trip were Richard and Dottie Foote, Lisa Misturak, Christine Nash, Billy, Lisa, Lora and James Wiser, and Donald Dermott.

Adults attending were Pat Foote, den leader, John and Gaye Misturak and Richard Poole Sr., committee members, Marilyn Wiser and Mr. and Mrs. Donald Dermott.

The Cubs will participate in "School Night" for scouting on Sept. 19 at Emerson and McKinley Schools for the purpose of recruiting new members. The next meeting of Pack 8 will be on Sept. 23 at the church, with Warren Knoch, Cubmaster in charge. The main theme will be Cub Scout Physical Fitness. The boys will compete for the outstanding athlete in the 8, 9, and 10-year-old groups, with the winners to go to the council run-offs on Oct. 5 at Southern Illinois University at Edwardsville.

The circus tickets were donated by Lester and Jim Vierling.

Baptist class meets in park

The Fidelis Class of Second Baptist Church hosted a family pot luck supper last week at Wilson Park in lieu of the regular meeting.

Those attending were Mrs. and Mrs. Charles Clausen, Mr. and Mrs. Carl Ayres, Mrs. Kay Pierson, Mrs. Florence Paul, Mr. and Mrs. Ray Harper, Mrs. and Mrs. John Cavins, Mr. and Mrs. Arthur Hoffman, the Rev. and Mrs. Eugene Dutton.

Donald Mayberry, Mrs. Mina Duggin, Mrs. Mary Patterson, Jar, Ann and Della Corbett, Mesdames Betty Patterson, Ruby Hoffman, Ruth Hassler, Ruby Chapman, Ruth Chapman, Mary Householder, Ruby Mayberry, Louise Mitchell, Cora E. Miller and Rueben Snyder.

Prayers were offered by Arthur Hoffman and Mrs. Ayres. Members agreed to sponsor a 12-year-old boy now residing in the Carmi, Ill. Baptist home.

Mrs. Pierson and Mrs. Maxine Smith were appointed to purchase gifts for the boy on his birthday and special holidays.

Mrs. Alice Hoffman dismissed the group with prayer.

Big Rams rise to win 34-8 despite Warrior air attack

"Batter the Rams" was the intention of the South High School football Warriors as they traveled to Riverview Gardens in Missouri Friday evening but the host team and some untimely penalties thwarted the Granite City, 34 to 8.

Coach Stan Wojcik had praise for many aspects of the Warriors' performance, including the passing combination of Quarterback Kirk Barunica, a 170-pound junior

speedster. South netted 77 yards through the air to 21 yards for Riverview, but the hosts had a 236-105 advantage in yardage from running plays. Each team garnered 11 first downs.

The Warriors took three busts of students along to cheer their efforts, but the Friday 13th outing ended in failure due to the weight, skill and experience of the big Riverview griders.

Winning the coin toss, South

elected to receive but was stymied by a fumble on their third offensive play.

Mark Paulsen recovered and ran the ball 22 yards for a touchdown. When Mike Pittroff booted the first of four extra-point conversions, Riverview led 7-0.

Driving from midfield, the Rams scored again on a three-yard plunge by Halbach Archie Rupperto. The placement kick succeeded, and the 14-0 lead lasted through the first quarter.

Sparked by Champion passes, the Warriors began to dominate possession of the ball.

Flanker Tom Schooley handled the kickoff return and Champion began connecting with Barunica and Halbach Paul Muehl. Barunica also was effective on running plays.

With Defensive Guard Dave Dekkers making timely tackles for Riverview, the drive bogged down. South later regained possession and Doug Hartman recovered a Warrior

fumble to keep alive an advance into enemy territory.

Barunica carried for ground gains and Champion passed to Barunica for 12 yards and to Schooley for 17 yards. A 13-yard pass from Champion to Ray Smith, 172-pound senior end, clicked for a touchdown.

The Warrior quarterback passed to Schooley for a two-point conversion, cutting the deficit to 14-8.

Aided by a Mark Greenwald tackle, South halted a Ram drive, helped by a pass to Mike Lansau. But the Warriors were unable to score again and the halftime intermission arrived.

Riverview increased its lead on an advance capped by a 14-yard run by 170-pound Halbach Edgie Peoples. A kick made the score 21-8.

Penalties continued to plague the Warriors despite continued passing success. After a punt by

South, the Rams again drove toward the end zone. Peoples carrying the ball over on a 17-yard gain. An extra-point kick produced a 28-8 advantage.

In the final quarter, Bryan Bunjan shared some of the South quarterback's duties with Champion. But by then Riverview had built up considerable momentum and was able to control the ball most of the time.

The final TD came on a 37-yard run by Jeff Walters, a 6-1,

180-pound junior back. A kick for the extra point failed.

Principal Warrior dissatisfaction with officiating involved a roughing-the-kicker call in the third period.

"Our lines aren't moving well yet, but they are going to put it together for the next game," was the consensus of many Warriors. They met at Belleville East at 6 p.m. Friday in search of their first win in three starts.

Knepper's friends, race

Popular race driver Arnie Knepper Jr. of Belleville added another honor to his lengthy list by winning the 25-lap feature for midweek race cars Saturday night at Tri-City Speedway.

Knepper took the lead early and held on for victory in what was described as "one of the smoothest, cleanest races ever."

He started in the third row in a field of 18 midweek cars and completed the first lap in fourth place.

He moved to second place during the second lap behind Dave Ray of Milwaukee, Wis., and passed Ray on the seventh lap.

Danny Frye Jr. of Florissant, finished second, with Gene Gettison of Kansas City, Mo., third.

Knepper is well known nationally for his racing and all kinds of cars, including several appearances in the Indianapolis 500. Frye is the 1974 St. Louis Auto Racing Association Midweek champion.

Kenny Schrader took full advantage of an accident in the late model car feature race to break into the lead and go on for the win.

In the fourth lap, the car of the track's new point champion, Ken Gettison, and the racer of Kenny Shrum, both of St. Charles, Mo., tangled in the fourth turn and Schrader broke into the lead.

Gettison, who has already clinched this year's point crown,

was leading when he crashed. C. C. Corbin of East Alton was second and Gene Mellowsay third. Corbin had been the fastest qualifier, completing the half-mile in 26.67 seconds.

John Wolfmeier won the sportsman class quarter-mile feature after a last-lap move into the lead.

He had trailed Chris Krohn of St. Louis for 14 laps. As he passed the leader, Krohn lost control and his car spun.

Midweek heat winners were Gettison, Ray and Schrader. Late model heat winners were won by Schrader, Ed Lewis and Shrum. Shrum was trying out the Tri-City track for the first time. He has been driving race cars 23 years and in this year's Allied Racing Association championship.

Sportsman heat events were captured by Gary Barker and Ken Gettison. Schrader, in addition to his late model feature and heat wins and midweek victory, won the late model handicap event between the six fastest qualifying cars. He led from start to finish.

Tri-City Speedway will end its 1974 regular season sportsman and late model stock car competition Saturday with 50-lap championship racing for both classes. Time trials will begin at 7:30 p.m. and racing at 8:30 p.m.

The final racing program at the local speedway will be on Sunday, Sept. 16, a 25-lap tactical, the fourth of the year.

South aerial bombardment beats North frosh, 35-8

The Granite City High School South freshman girls' basketball team defeated the rival GCHS North Thursday, but did not exactly show North the meaning of "Southern hospitality." South won 35-8, winning, trying only three pass plays, each ending in a touchdown.

The Warriors scored in the first quarter as Wingback Tony Elliott finished in the end zone after a 12-yard pass from Kirksey provided the extra point.

The South squad added to its lead in the second quarter as Quarterback Mike Forshae unleashed his first pass of the game, a 10-yarder to End Jay Heubner, who ran it in for a touchdown. The extra point try failed.

Just before halftime, North forced South to fumble in the South end zone and came up

with the ball for a two-point safety. The score, 16-0, was indicated, will begin at 4 p.m. in the 1974 schedule.

Sept. 16—at Dupo
Sept. 22—at Assumption
Oct. 8—East St. Louis Lincoln here
Oct. 14—Marquette of Alton
Oct. 29—Freeburg here 4:15 p.m.

South domination continued in the final quarter, as Elliott grabbed a 30-yard pass from Forshae and scored, Houston again ran for two.

Forshae later proved his running game was as good as his throwing arm, as he ran an option play 25 yards for the score. The extra point kick missed the mark.

In the final 20 minutes, North put together its strongest push of the game, ending in a touchdown run by Mike Hagauer.

The extra point attempt was unsuccessful.

and ended twice, Alton had 17 hits and two errors.

Mercer's fourth inning started with Bob Scott walking. Steve Schardan getting a hit and Rich Schardan reaching base on a fielder's choice. Ed Hagauer singled Scott home and Reznack's sacrifice fly allowed Rich Schardan to score.

Mercer loses series opener

The second game of the Illinois Inter-City Baseball League championship series will be played at 2 p.m. Sunday, at East Alton, with defending champion Mercer fighting against being eliminated.

Mercer lost 6-5 at Wilson Park yesterday to the East Alton Vans.

The Vans were led by the pitching of Bob Scott, a home run by Roy Morris, Gary Collins and Lee Davis. They scored two runs in the first inning, three in the second, one in the third and three in the eighth.

Mercer's Vic Reznack pitched five innings and Joe Schuerbaum and Pat Harris two innings each.

The local nine collected 11 hits

and ended twice, Alton had 17 hits and two errors.

Mercer's fourth inning started with Bob Scott walking. Steve Schardan getting a hit and Rich Schardan reaching base on a fielder's choice. Ed Hagauer singled Scott home and Reznack's sacrifice fly allowed Rich Schardan to score.

In the seventh, Jack Scarborough doubled, Larry Corey singled and Bob Scott reached base on a fielder's choice, allowing Scarborough to score. Larry Corey hit the ball to right in the final inning, and advanced to third on the sacrifice fly. Bob Scott then hit a two-run homer.

Reznack took the loss. He allowed 10 hits, walked three and struck out four.

Steeler golf loss

North High golfers will travel to the Jerseyville Country Club at 4 p.m. today for a match with Jerseyville.

On Thursday, Collinsville showed its knowledge of its home course, Camelot, the top four Kahok scores totaling 154 to 169 for North.

Leading the Stealers with a four-over-par 39 on Sunday was Gary Baker, followed by Tim Behrens 41, Dave Dodson 43 and Bob Harper 46.

Legion 207 wins Ketter

American Legion Post 307 won the Rufus Ketter men's softball meet at Worthen Park Saturday when it beat the Madison Armvets 24-2.

The champs had a busy day working their way to the final game, beating GC Post Control 17-6 and L & W Movers 17-7.

Fast-pitch meet continues

The fourth annual Invitational Fast Pitch Tournament, at Wilson and Worthen Parks, will resume at 6 p.m. today after rain again postponed games last week.

Four softball contests were played yesterday.

GC Eagles 4; J&B Sales 4, Tri-City Maroons 3; Livingston 11, Hook's Tavern 10; and Tri-City Maroons 9, GC Eagles 9.

Today, J&B Sales and Cleaners, both undefeated, will meet at Wilson Park, and

Livingston and Tri-City Maroons will play at Worthen Park.

At 6 p.m. tomorrow at Wilson Park, the Livingston-Maroon winner will play the Cleaner-Sales loser. The winner of tomorrow's game will be tomorrow's winner at 6 p.m. Wednesday at Wilson Park to decide a champion. If necessary, a second title game in the double-elimination meet will be played Thursday at 6 p.m. at Wilson Park.

Roy Ellis, 71, dies today

Roy Ellis Sr., 71, of 2 Violet Court, a retired railroad man, died at 6:15 a.m. today at St. Elizabeth Hospital. He had been in ill health for four years and hospitalized one day.

Born in Pomona, Ill., Mr. Ellis lived in this area 23 years. He was employed as a boilermaker with the Illinois Central Railroad for 30 years.

Mr. Ellis was a member of the Jerusalem Church in Pandemonium. Survivors include one son, Roy Ellis Jr., of New Douglas, Ill.; one daughter, Mrs. Robert (Dorothy) Kidwell, Mrs. William (Dorothy) Wills and Mrs. Gene (Harriet) Donihau, all of Granite City; one brother, Alvin Ellis of Bangor, Mich., and 11 grandchildren.

Funeral arrangements are given in the obituary column.

Four hurt in bridge mishap

Four persons were injured at 10:05 p.m. Sunday when a car driven by Harold R. McKean, 30, of Florissant, Mo., heading east struck the east end of the superstructure on the McKinley Bridge at Venice.

McKean was treated for a cut to the nose, palm of the right hand and left side of the forehead and released.

Mrs. Ruth McKean, 29, wife of the driver and a passenger in the car, was treated suffering cuts to the nose, tongue and small finger on the left hand. Another passenger, Mrs. Ruting Hayes, 45, also of Florissant, was admitted for observation with bruises to the abdomen, forehead and chest area.

Heck was 45, also of Florissant and a passenger, was x-rayed and released.

Mrs. Emily Pyles, 85, dies

Mrs. Emily Leona (Swigert) Pyles, 85, who resided with a son-in-law and daughter, Mr. and Mrs. Glenn (Lela) Tucker, 2202 E. 24th St., died at 1:15 a.m. today at St. Elizabeth Hospital.

She was a member of Tri-City Park Tabernacle. Mrs. Pyles was born in Kirksville, Mo., and moved to this area in 1925.

Ill for several months, Mrs. Pyles was a patient at the hospital two weeks.

Her husband, James L. Pyles, died in 1960.

Other survivors include a son,

News Notes

The temperature dropped to a record-tiny 46 degrees at 6:45 a.m. Saturday.

Former Army General Alexander M. Haig Jr., White House chief of staff, may be appointed to succeed a native Granite City man, Andrew J. Goodpastor, as supreme Allied commander in Europe, the top military post in the North Atlantic Treaty Organization.

Illinois Gov. Dan Walker announced Friday a bill boosting from \$5,000 to \$10,000 the amount of money a consumer can borrow from firms charging 12 to 18 per cent interest. This completed work on the bills enacted through early July. Legislators will return to session in September.

Ten years after the U.S. Surgeon General's warning, cigarette smoking to cancer, per capita cigarette use among U.S. adults is climbing back to near the pre-prohibition level. 213 packs a year compared to the previous 217 packs. Usage had dropped to an average of 199 packs in 1960.

Gov. and Mrs. Walker left Sunday for a two-week tour to promote Illinois business in Ireland, Scotland, England, Belgium and the Netherlands.

Armed Robbery at Venice Tech

Arthur May, a delivery man for the Old Venice Hardware Store, was robbed of an undetermined amount of money by two men at 10:30 p.m. Friday as he was entering Lincoln Technical School in Venice.

According to police, one of the men pulled a gun and told May, "I'll blow your head off." They then forced May between the truck and an auto, took his money and fled on foot.

Patient improves

The condition of William Polite, 31, East Alton, improved from critical to fair during his five-day stay at Barnes Hospital burn unit, St. Louis. Officials said he remains under intensive care with burns over 65 per cent of his body. He was burned in a fire at a Ponton Beach tavern Aug. 27.

Births

Births recorded at St. Elizabeth Hospital.

GIRLS
Mr. and Mrs. Clayton Erickson Jr., St. Louis, Sept. 12, Janette Christine, six pounds, four and a half ounces.
Mr. and Mrs. James Copen, 2043 Edgemoor Ave., Sept. 14, Christina Jean, eight pounds, nine ounces.
Mr. and Mrs. James Baker, 11a Paul Drive, Sept. 14, Sonja Denise, nine pounds, three ounces.
BOYS
Mr. and Mrs. Bruce Crittenden, Edwardsville, Sept. 12, Brent Andrew, seven pounds, seven ounces.
Mr. and Mrs. Jack French, 2250 Cleveland Blvd., Sept. 13, Matthew Arnold, seven pounds, 13 ounces.

Two hurt on I-270

Bertha L. Shipman, 55, of 139 Kinder Lane, was admitted for observation to Belleville Memorial Hospital following an auto accident at 1:10 p.m. Saturday on I-270, one mile east of Highway 111. Mrs. Shipman was taken to St. Elizabeth Hospital here but requested her transfer to the Belleville Hospital.

Jerry A. Baker, 33, of Edwardsville, driver of the car that collided with the Shipman car, was released from St. Elizabeth Hospital for observation.

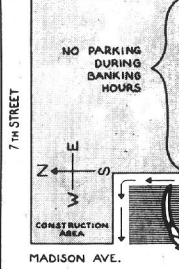

Illinois State police said the car driven by Mrs. Shipman was stopped in the left lane headed east on I-270 when struck in the rear by the Baker car, also heading east.

Hurt on Maryville

Miss June Howard, 18, of 667 Barkley Ave., Mitchell, was injured when her car and the auto of Dudley Forsythe, 1709 Edison Ave., collided at Maryville Road and Morrison Avenue on Thursday.

Forsythe was charged with failure to yield the right-of-way. Miss Howard was taken by ambulance to St. Elizabeth Hospital where she was treated for injuries to the right side of her face which struck her car's steering wheel. X-rays of her jaw were taken and she was released.

Quier

(Continued from Page 1)

Council meeting about vandalism reports and children roaming the streets in eastern Madison.

The only activity noted at 9:30 a.m. was a group of boys between 13 and 16 years old playing catch with "frisbees" at Farish Street and McCasland Avenue, and three boys talking on the front steps of the home of one of the trio.

A check was made around a church in the neighborhood where complaints had been voiced about activities in the church yard. A confectionery described by some as a "hangout and trouble spot" was found to be no problem Friday evening.

Several residents noted the walking patrol and Gene Coover, 201 Rhodes St., made a point of coming out of his home to voice his appreciation that the police were there and taking an interest.

One woman came out and spoke of neighbors' children and teenagers from Granite City, Waterloo, and McCasland parking on the streets.

She speculated that they might be drug abusers.

The patrol then visited the Grezner and Garasche homes apartment area and again were greeted in a friendly way and detected no trouble.

Officer Voloski said they walked around all three areas several times during the night but found the streets basically empty.

On Saturday evening, the officers found everything even more quiet than on Friday.

Voloski saw a lawnmower in the front yard of a lady's home Saturday evening and asked her to put it in the garage so it would be less likely to be stolen.

Voloski noted, "We will arrest from 10:30 p.m. curfew violations. Anyone under the age of 18, according to state law, is in violation if he or she is out on the streets between 10:30 p.m. and 6 a.m. unless on Friday and Saturdays, the time is midnight to 6 a.m., for a curfew exception as going to and from work."

"Parents of children under 17 years of age who are arrested for curfew violation may also be arrested and held liable."

1964 AUTO STOLEN
A white over blue 1964 Chevrolet parked at 3403 Kirkpatrick Homes was reported stolen at 10 p.m. Saturday by the owner, Charles Schwertman, 1400 Madison Ave.

SIUE

(Continued from Page 1)

proposed Institute for Urban and Regional Studies, the master's degree programs in urban studies and environmental studies, the bachelor of arts in human services and the bachelor of science in sanitation technology.

—\$270,900 in academic support programs, including audio-visual services, the director of arts in business processing and computing center, the Supplemental Instructional Program and a special program in engineering for blacks.

—\$222,950 in new degree programs, including the bachelor of science in industrial engineering, the doctor of arts in physical sciences and the doctor of arts in business programs which are now pending approval of the BHE.

—\$92,020 for continuing education, including the second year of operation for the Open University program, and the "University for Teachers" Centers now operated by SIUE in Belleville and Clayton, Mo.

The \$12.8 million capital budget request for SIUE lists 11 projects in priority order. The priority is given to a physical education building in mated to cost \$4,646,000. Other items in descending priority order include:

—\$850,000 for extension of utilities for the physical education building.

—\$470,000 for a fine arts building.

—\$153,000 for a student theater building.

—\$275,000 for remodeling and rehabilitation of four existing buildings to restore them to their planned original use.

When two classroom buildings now under construction are completed, SIUE will be able to shift programs and personnel to relieve overcrowded conditions in four existing buildings.

—\$103,000 for remodeling of the Communications Building theater auditorium.

—\$55,000 for land on which to erect a television transmitter tower and building.

—\$34,000 for a television transmitter tower and building.

—\$1,195,000 for television transmission equipment.

—\$29,000 for extension of utilities for the television transmitter tower and building.

—\$80,000 to complete two classroom buildings now under construction.

A university mission and scope statement which is a part of the RAMP document says "major emphasis will be placed upon the further development of upper undergraduate and graduate programs in the academic and professional fields presently established, as well as upon the development of new programs in areas where clear educational needs are identified, and were faculty competence and university resources can justify them."

Regional

(Continued from Page 1)

demonstrating that it will have capacity for growth.

"At present, the Civil Aeronautics Board will have difficulty ruling in favor of St. Louis. Besides the adverse recommendation from the DOT, it has before it a splintered appeal from the Missouri and Illinois congressional delegations."

"The Illinois delegation seeks approval of transatlantic service for the St. Louis area, which is the special program of application."

"The Missouri delegation has tied its support to Lambert Field rather than the area, which would restrict the future of transatlantic service to the limited potential of Lambert. Impact officers asserted."

"We feel the Missouri and Illinois congressional delegations should join in presenting a united, regional voice for the area's request."

"Such action would have the effect of keeping Lambert in the picture for its useful life, but would add assurance that the area is committed to providing the facilities needed for the longer-term future."

"It is still possible for St. Louis to get back in the race with Atlanta, Cleveland, Dallas-Fort Worth, Houston and Pittsburgh in seeking direct transatlantic service."

"What we must do to assure the CAB that St. Louis is not looking for limited facilities, but rather is going ahead with improvements at Lambert and action to build a major new field which will both provide for and stimulate aviation growth."

Convict

(Continued from Page 1)

the stand or offer evidence in their defense.

Assistant State's Attorney Paul J. Neill acted as prosecutor. Castle was represented by Paul Riley of Edwardsville; Fair-

view was defended by Dick Mudge Jr. of Edwardsville, and Fisher had Robert Matosian of Granite City in his defense.

The trial opened with jury selection Monday and went to the jury at 12:30 p.m. Thursday.

The jurors returned the verdicts at 11:10 p.m. Thursday.

Judge Clark said post-trial motions will be heard before a sentencing date can be set.

10,000 FIRE DAMAGE
Fire caused \$10,000 in damage estimated at \$10,000 at the home of Richard R. Jones, 4145 Highway 111, Sunday, Long Lake firemen were called at 1:40 a.m. and were at the scene nearly two hours. They were recalled from 6:20 a.m. to 9:05 a.m. when the fire broke out under the roof. The fire was believed to have started in the family room and spread to the kitchen area.

3 held after rail car theft

(Continued from Page 1)

Charles Lee Mitchell, 33, of 125 Weaver St., Venice, and Willie "Butch" Allen, 27, of 1125 Calhoun St., Venice, were charged with theft from railroad cars, and James Windell Willis, 32, of 1225 Calhoun St., Venice, was charged with being an accessory to theft from interstate shipment at 1:30 p.m. Sunday.

A Terminal Railroad agent said he saw two men breaking into the trunks of new autos and taking tires from a piggy-back railroad car near Race street.

The agent called for assistance from Madison and Venice police.

Mitchell and Willis were arrested on Collinsville Avenue in an auto driven by Willis.

Sheridan ran from the auto when he saw police approaching and was arrested at 1:30 p.m. hiding behind a furnace in a utility room of an apartment in Grezner Homes, Madison.

The three men are being held in Madison City jail pending court appearance.

Local taxes are expected to bring \$8,169,000 into the district while income from other sources is expected to total \$13,349,457, a total revenue of \$21,518,457.

The difference between the total income and the budget is covered by carry-over funds from the previous year.

"We also anticipate an early tax collection next year, which also will help cover the difference," he added.

Davis said the Granite City district is not a rich district because of its determination by the assessed valuation for tax supported bodies.

"Nevertheless, Granite City spent an average of \$1,000 per pupil last year. The state average for last year was not available, but it averaged \$1,228 per pupil the year before, so you can see we spent about \$18 more than the state average per pupil last year."

"The state says each child should be supported by \$42,000 of assessed valuation. The average assessed value per child is less than \$17,000 in this district, so we receive much greater state aid than most districts."

Davis explained that Davis said inflation may cause the district to decrease some services this year, but pledged every effort would be made to avoid cutting staff or programs.

He also said the district now has an average of less than 25 students per classroom, which is within what we feel is a good educational range," he explained. He said the district will try to reduce the ratio.

Don Voe, Granite City Township tax assessor, told the educational leaders that the school district should "lighten its belt for the good of the area."

He said, "In our community, we are going to grow and grow, and we are going to try to attract industry. One of the things we're faced with is a high tax rate on industry."

Schur said he did not feel the schools should be taking 60 per cent of the local tax money. He said the district is a "better distribution," he said.

Davis took issue with Cruse's statement that the tax rate here is among the highest in the state of Illinois.

Davis explained that Granite City is the 10th highest unit district in the state in tax rate, but look at the dual districts with separate tax rates for elementary school districts and high school districts.

Some of them are paying as much as \$7.06 for schools when the two rates are combined."

He explained that the anticipated tax rate of \$3.749 is a full \$3.31 lower than the combined tax rate of the highest dual district he has found.

"We do not have figures on all of the dual districts, but it would be interesting to see where we stand on tax rate compared to all districts in the state, including the dual districts," the superintendent stated.

Namek Township Supervisor Louis Whitsell also urged the school board to carefully study the tax rate and to make sure it is a fair rate.

"We were told when the state income tax started, taxes would go down. They didn't."

"We need to take a look at our educational needs. Do we really need all this?" Whitsell said.

We (Namek Township) could cut our taxes down to the bare minimum, and it wouldn't change the tax rate much, because all our money is going to the school district," he concluded.

Some administrators explained that a decrease in school taxes would not mean more money for the townships, because most of them are collecting their maximum rates now.

PTA resumes its programs in Mitchell

(Continued from Page 1)

Mitchell PTA's first meeting of the school year was held Thursday evening, presided over by Mrs. Viva Elliott, president, Girl Scout Troop 1129 presented the colors.

The budget for the year was presented by Mrs. Karen Hutchings, treasurer, and approved.

Phyllis Gorrell, room mother, chairman, said there will be a meeting Tuesday at 9 a.m. in Room 11 for room mothers.

Mary Whiteside, ways and means chairman, reported that a car wash will be held Sept. 28 at Terry's Motel Station on Namek Road.

A program was presented by SIUE Professor Raymond Troy, who urged parents to help children become more responsible.

Mrs. Diane Hartzel, past PTA president, was recognized with a past president pin.

Scout Roundtable program

The Uniwah (Quad-Cities) District of the Cahokia Mound Council, Boy Scouts of America, held a Scout Roundtable at Coolidge Junior High School with retiring Scout Roundtable Commissioner Major John Johnson in charge.

Major Johnson has been serving on the commissioners' staff the past year and now is serving as Scoutmaster of Boy Scout Troop 7, sponsored by St. Joseph's Church.

Pre-opening activities included scouting songs by Burl Ives performed on record and a full scouting and Boy's Life display.

The opening was a candlelight ceremony illuminating the Scout Law. Scouts Wesley Stanfill and Darren Geisler performed the ceremony.

After the ceremony, District Executive Mark Yehling introduced new Scouters: Bob Niemeyer, assistant scoutmaster of Troop 28 sponsored by Parkview School PTA; David Hessel, assistant scoutmaster of Troop 46, sponsored by the Namecki School PTA; and Leon Richardson, committee chairman, and George Udell, assistant scoutmaster both from Wilson School PTA Troop 122. Each new member was given a miniature Scout pin.

Assistant Udell and Richardson also were welcomed as members of the newest troop in the Uniwah District.

The ice breaker game, "The Hummer" was won in a three-way tie for first place by John Sands, scoutmaster of Troop 98, at Stallings School, Dewight Smith, district unit commissioner, and Robert Williams, scoutmaster of Troop 18, sponsored by the Eagle Lodge.

Scoutmaster Williams received the Scout's Training Award for completing special requirements over a three-year period. The award was presented by District Training Chairman Charles Taylor.

Scoutmaster Dale Potter was recognized as the newest Woodbadge trained Scouter. Woodbadge is a training program of scouting skills based on the scout and scout-

master's handbooks. The session takes the form of group interaction over a seven-day period. Potter urged all veteran Scouters to attend.

Potter led a demonstration in Webelos graduation into a scout troop, using a simple bridge, and Cub and scout neckerchiefs. Stanfill, Yehling, and Geisler assisted in the skit.

The training feature of the Roundtable was a newly released filmstrip featuring all aspects of scout uniforming.

Yehling emphasized the importance of the council newsletter for information and announced the upcoming All-American Camporee to be held at Hazlet State Park at Carlyle Lake on Oct. 11, 12 and 13.

The September roundtable was closed by John Johnson, with Geisler and Stanfill's assistance.

The Quad-City Roundtables are a monthly training and information feature for all unit scouters. They are held at Coolidge Junior High, 3103 Madison Ave., Granite City, the second Tuesday of each month, at 7:30 p.m. and conclude at 9 p.m.

ELOISE'S WILD ANIMALS, billed as a "world-acclaimed mixed group of man-killers," thrilled the thousands of people who attended the Shrine circus in

Granite City. Mixed together at one time inside the cage were lions, tigers, leopards and even bears. The biggest audience was attracted on the final night, Thursday.

(Press-Record Photo)

LIVELY ART OF JUGGLING has not disappeared despite the demise of the Ed Sullivan television show a few years ago. The Nicholas Troupe, described as four juggling jewels, is shown performing at the Shrine circus in Granite City. A near-record crowd was attracted Thursday night.

(Press-Record Photo)

Dinner will honor H. J. Haberaecker

A testimonial honoring H. J. Haberaecker, who retired Aug. 31 as president of Belleville Area College, will be held on Nov. 2.

The dinner and program, which are open to the public, will be held at Augustine's Restaurant, Illinois 158 and U. S. 460 at Belleville, starting at 6:30 p.m.

Clarence D. Blair, retired veteran St. Clair County superintendent of schools, is

chairman of the arrangements committee, which consists of area civic, professional, labor and educational leads.

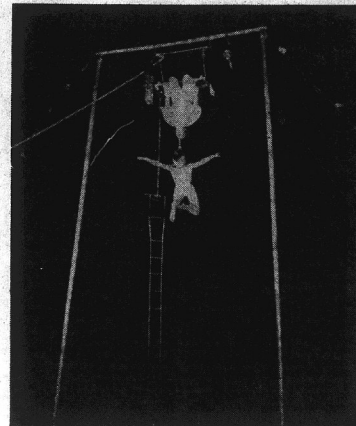

The testimonial was organized and the committee selected by the Education Division of the Belleville Area Chamber of Commerce.

Dinner tickets are available at \$9 per person from Louis E. Tiemann, vice president of the Belleville National Savings Bank, P.O. Box 462, Belleville,

Ill. Haberaecker is widely known as an educator and administrator. He was "drafted" in 1967 to become the first president of Belleville Area College following establishment of the Class I junior college district.

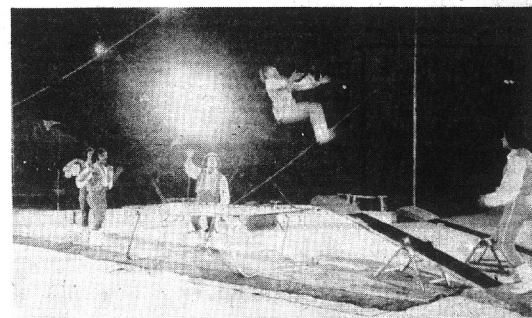

Previously, Haberaecker had served five years as superintendent of Belleville Township High School District 201, of which the college was a satellite.

Before coming to Belleville in 1962, Haberaecker served as a secondary school classroom teacher, athletic coach and administrator in Iowa, Missouri and Illinois. He was a B-17 bomber pilot during World War II.

MID-AIR HEROICS by the Palace Duo were among the highlights of the three-day Ainad Temple Shrine circus presented at the Tri-City Speedway through Thursday evening. This act featured free-hand aerial acrobatics and precision trapeze maneuvers.

(Press-Record Photo)

WHEN THE CIRCUS COMES TO TOWN it is inevitable that a trampoline pool will be included among the acts. This picture taken during last week's Shrine circus here shows the Young Troupe of Hungary. The acrobats vaulted from a teeter-board to the trampoline and to the arms of their partners.

NAMECKI-VILLAGE

Kiwanis peanut sale began at ball game

The Breakfast and Evening Kiwanis clubs of Granite City will join forces on Friday and Saturday, Sept. 27 and 28, for the annual Kiwanis peanut sale in the Quad-Cities to help raise money for needy and handicapped children in this area.

It all started at a baseball game. It was at Wrigley Field in the summer of 1950 and two fellows Kiwanians, Harold Hayward and Al Blumh, were enjoying a Cubs game while munching on salted-in-the-shell peanuts.

Not exactly the type of situation where great ideas are conceived, but this day was different. Hayward and Blumh had been seeking a simple means of raising funds for Kiwanis youth work that would meet the Kiwanis fund-raising requirement of giving something of value in exchange for monetary support of these programs.

Up to then, most Kiwanis clubs in the Chicago area raised funds by putting on such things as travelogues, minstrel shows, special dinners and the like.

"Why not sell peanuts on the street," they chorused almost in unison, as a baseball game went unnoticed. "Everybody loves peanuts, and they are not expensive. This way almost

everybody would become a customer for a bag of peanuts. No takers to sell. Do it all in one day, and help underprivileged kids around Chicago for a whole year!"

Harold and Al aren't sure which of them actually got the idea, but that's how it was born. Little did they dream then that 24 years later their idea would become a national event with almost 400 cities in the country participating.

In 1951, the two men organized the members of just eight Kiwanis Clubs in the Chicago area for the first Kiwanis Kids' Day Peanut Sale. Even with this small participation the results were astonishing. These eight clubs raised \$20,000.

But they did run into a big problem. They neglected to get permission from City Hall, and Hayward was arrested for conducting a street sale without a vendor's permit. He spent two hours in jail for this.

This stumbling block was quickly corrected, however, and by the next year, the Chicago City Council had passed a resolution permitting the sale. Since then, Chicago's Mayor has proclaimed the fourth Friday of September as the official date of the Kiwanis Kids' Day Peanut Sale.

Over the years, the Peanut Sale has become more sophisticated under the guidance of Hayward and Blumh and a board of directors made up of former Peanut Sale general chairmen appointed each year.

One of the first changes made was the decision to give away the peanuts as a token of appreciation from Kiwanis in exchange for whatever donation passersby care to give, rather

GRANITE CITY PRESS-RECORD
Mon., Sept. 16, 1974 Page 10

than selling them for a price.

The method of packaging peanuts also changed. At first, the peanuts were ordered in bulk by the ton, and each club bagged their own peanuts at the rate of "one handful per bag."

But as more clubs became involved and the number of bags required for the sale rose from thousands to millions, it became an impossible task to bag that many peanuts by hand, and contracts were let to commercial packaging companies.

In the mid-1950's, a Kiwanian designed a bright red poncho for Kiwanis peanut vendors to wear during the sale. It provided visibility, safety in traffic, and a punch for each vendor carry 50 bags of peanuts with ease.

The Little Miss Peanut Contest, in which a little girl is chosen as queen of the annual Kiwanis peanut sale and symbol of youth served by Kiwanians everywhere, is held in many Kiwanis communities.

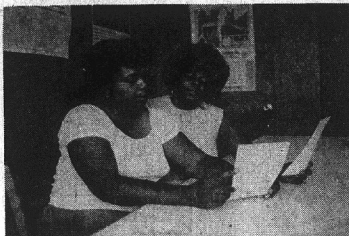

This year, an estimated five to six million Americans will receive a bag of Kiwanis peanuts for their donations which are expected to exceed \$1,150,000 nationwide. Next year it is expected that the number of participating Kiwanis Clubs will reach 600.

One hundred per cent of the money collected stays in the Quad-Cities and will be used for local Kiwanis projects, such as:

educational scholarships for needy youngsters; summer camps for the crippled and underprivileged; drug abuse prevention, playground equipment; treatment and therapy for spastic children; maintenance of boys and girls clubs, scout units and YMCA's; and hundreds of other programs in the interest of the well being of young people.

It is interesting to note that Kiwanians themselves are grateful to Harold Hayward and Al Blumh for their brainchild and their continuing work for Kiwanis. Both have been made "life" members of the board of directors of the Kiwanis Peanut Sale, and Hayward was elected governor-elect of the Illinois Eastern Iowa District of Kiwanis. He will serve as governor of the district from Oct. 1, 1974, to Sept. 30, 1975.

ADMIRING AWARD CERTIFICATES are Drew Helen Johnson, East St. Louis, and Margarette Wade, Madison, program assistants with the University of Illinois Cooperative Extension Service in Madison County who were honored as being among the top 20 program assistants in Illinois at a recognition banquet held at the campus in Urbana. They are among 11 program assistants in Madison County and 400 program assistants throughout Illinois who work with the Expanded Food and Nutrition Education Program to help low resource families buy more wisely, plan better meals, and prepare foods properly and with variety.

Personnel cuts to be only a 'last resort' at SIUE

Personnel cuts during budget emergencies will be made only as a last resort, according to guidelines adopted by Southern Illinois University at Edwardsville.

The guidelines, recommended by the University Senate, were adopted earlier this year by Dr. John S. Rendleman, SIUE president. Copies of the guidelines were given to members of the SIUE Board of Trustees when they Thursday at Carbondale. Rendleman said he wanted the trustees to "be aware of the manner in which we are proceeding in this important area."

The guidelines provided for consultation with a special review committee before reductions are made in personnel or university programs. "The special review committee is composed of the executive committee of the University Senate, members of the review committee of the University Senate Planning Council, the chairperson of the Non-Academic Employees Advisory Council and the president of the SIUE student body."

"In the event that general reductions in the level of support of university programs appear likely because of an inadequacy of financial resources, the president of the university should consult with the review committee prior to effecting such reduction," the guidelines state.

The guidelines include seven strategies, listed in "rough order of priority," to be used if reductions are necessary. The strategies are:

"1. In general, people are far more important than things so far as programs are concerned. Consequently, expenditures for equipment, telephones, renovations, even books, should be cut to an absolute minimum prior to eliminating people who have contributed and will continue to contribute significantly to the development of this university."

"2. Do not fill vacant positions except in cases where programs would be critically damaged. In some cases, it may be possible to relocate and retain employees

Offer degree in computer science

A joint doctoral program in computer science to be offered by Southern Illinois University at Edwardsville and Washington University in St. Louis was approved Thursday by the SIUE Board of Trustees.

The board also voted to request approval from the Illinois Board of Higher Education. The BHE and the Washington University Board of Trustees must approve the program before instruction can begin.

The joint program, which will lead to awarding of a doctor of science degree, is the first developed since Dr. John S. Rendleman, SIUE president, announced in 1972 that SIUE would work with Washington University and St. Louis University to develop cooperative programs.

In November, 1972, SIUE trustees authorized development of such programs, subject to individual program approval by the board.

The new degree program will be administered cooperatively by the Department of Mathematical Studies at SIUE and the Department of Computer Science at Washington University. Faculty from both institutions will serve as instructors and will be given adjunct appointments by the two universities when such appointments are appropriate. Library resources and computing services at both institutions will be open to students in the program.

Students will be able to take courses from either of the two universities to earn credit toward the degree.

The program will be open to qualified students wanting to earn a doctor of science degree. The typical student in the program is expected to be a graduate of SIUE.

A minimum of 108 quarter

hours of graduate work will be required for the degree. Normally this will include 72 quarter hours of graduate level coursework, some of which may have been taken as part of a master's degree program, and 36 quarter hours of dissertation research, under the direction of a faculty member at either university.

The doctor of science degree has a residence requirement of one year. To satisfy the requirement the student must devote full time for two consecutive semesters of three consecutive quarters to study at the combined campuses while enrolled in the program. A major part of the course work at the doctoral level will be taken through Washington University.

Four students are now ready, qualified and waiting to enter the program as soon as it is approved, trustees were advised. Course work could begin as early as the fall of 1975. SIUE officials estimated enrollment could increase to seven students in the second year and to 10 in the third year.

According to a 1973 study prepared for the Southern Regional Educational Board, computer science is one of the few scientific areas in which doctoral level graduates are being underproduced. A committee of the BHE has reported that "during the coming decade (up to 1980), supply of computer scientists will lag far behind demand at all levels. The high demand will continue to draw people originally trained in other disciplines, especially those in

mathematics, into computer science."

Rendleman said the new cooperative program will provide Illinois residents in the metropolitan area with state-supported, doctoral-level education opportunities far sooner and at far less cost than would otherwise be possible. He also predicted existence of a doctoral program would tend to increase the number and quality of students attracted to master's degree programs at SIUE.

"At a time when it is especially important not to duplicate expensive graduate education," Washington University Chancellor William H. Danforth, said, "the proposed plan for a joint computer science program with Southern Illinois University-Edwardsville is an innovative and practical approach to the problem. The plan would combine both institutions' resources in the best interests of the students and the taxpayers."

Cost projections indicate SIUE will need \$66,800 in new state resources to implement the program. The trustees voted to forward a request for this amount to the BHE to be incorporated in the new and expanded program fund request for fiscal year 1976 which was approved by trustees at their June meeting.

National Secretaries plan seminar

The Tri-Cities Chapter of the National Secretaries Association (International) met in the home of Mrs. Bertha Tuerck, Belleville, for a potluck dinner and business meeting. "Antiques" was the topic of a talk given by Mrs. Yvonne Chapman, an antique dealer and operator of Coach House Antiques in Belleville. A question and answer session followed Mrs. Chapman's presentation.

The business meeting was conducted by Mrs. Salley Gracey, president.

Copies of the chapter's revised bylaws were distributed. Announcement was made of a secretarial workshop to be held Oct. 26 on the ISU campus in Bloomington.

Mrs. Charlene Vunovic, CPS, chairman of the Future Secretaries of America (FSA) committee, reported on the progress being made on organizing an FSA chapter in Breese, Ill.

The local NSA chapter in conjunction with Belleville Area College is planning to hold a secretarial seminar on the ISU campus Sept. 28 from 8:30 a.m. to 3 p.m. The workshop instructors and the topics of their sessions are: Mrs. Bernadine Limper, "Become More Effective with Your Human Relations"; Mrs. Rosellen Oswalt, "Become More Effective in Your Writing"; Mrs. Shaine Cochran, "Become More Effective with Your Body Language"; and Dr. Jane Manwaring, "Become More Effective in Time Stretching."

Lunch will be served on the party and entertainment will be provided by the BAC drama choir under the direction of Dr.

GUEST SPEAKER Mrs. Yvonne Chapman, left, an antique dealer and operator of Coach House Antiques in Belleville, who presented the program for the Tri-Cities Chapter of the National Secretaries Association meeting in the home of Mrs. Bertha Tuerck, center, of Belleville, with Mrs. Lou Hemming, member of the Tri-Cities chapter.

Jack Stokes.

Keynote speaker at the seminar will be Dr. William Cash, management consultant, who will speak on "How to be More Effective with Yourself, Your Boss, Your Job."

Mrs. Gail Foley, CPS, chairman of the Boss Night Committee, reported that the dinner is scheduled for Oct. 24.

She distributed boxes of the Year nomination forms which are to be turned in prior to the October meeting. Balloting will take place at the next monthly meeting.

A bosses panel will be the program at the October meeting. Mrs. Helen Christich

and Mrs. Ruth Houser will serve as hostesses for the meeting Oct. 3.

A report was given on the Leadership Clinic held Aug. 17 in Chicago by Miss Twila Edmonds, member of the local chapter and treasurer of the Illinois Division. She commented on two films shown which dealt with officers' duties and parliamentary procedures.

The one-day conference was attended by 123 secretaries.

Mrs. Betty Borsch and Mrs. Joyce Savich, the Service Committee for the September meeting, presented prizes to Miss Twila Edmonds and Mrs. Gail Foley, CPS.

MR. AND MRS. PHILIP MARZLUF whose wedding took place at St. Joseph Catholic Church. She is the former Miss Jeannette Pemberton, a daughter of Mr. and Mrs. Noble Pemberton of Maryville, Ill.

Jeannette Pemberton and Philip Marzluf are wed

Miss Jeannette Pemberton became the bride of Philip Marzluf in a guitar mass ceremony in St. Joseph's Catholic Church, at 7 p.m. July 26.

Parents of the couple are Mr. and Mrs. Noble Pemberton, Maryville, and Mr. and Mrs. Charles Marzluf, 2242 Cleveland Blvd.

The Rev. Henry Mack performed the double-ring ceremony before an altar decorated with apricot gladioli. Musical selections, "For Emily, Whenever I May Find Her," "The Wedding Song," "The Our Father," and "Follow Me," were offered by guitarist, John Kennedy of Collinsville.

The bride, given in marriage by her father, chose an empire styled gown of ivory Venise lace, interwoven with matching satin ribbon. The gown was designed with an A-line skirt and featured long sleeves tapered at the wrist.

Her cathedral-length veil of silk illusion was bordered in lace and fell from an open Camelot cap of Venise lace to form a train effect. She carried a summer bouquet of zinnia, sweetheart roses, yellow carnations, accented with baby's breath.

Mrs. Mary Ann Myers of Collinsville served as maid of honor. She selected an empire styled floor-length gown of apricot polyester crepe and a picture hat trimmed with an apricot band.

Flower girl was Kori Besant of Maryville, who wore a full-length yellow gown with an eyelash print pattern, both ruffled at the hemline. She wore a circular eylet hat with a self ruffle.

Both carried summer bouquets of multi-colored rosebuds, daisies, mums and carnations.

Best man was Joseph Marzluf, brother of the groom. Nephew of the bride, Michael Vanover, was the ring bearer. Steve Pemberton, the bride's brother, of Carbondale, and Walter Marzluf, the groom's brother, of Granite City, were ushers.

For her daughter's wedding, Mrs. Pemberton chose a lemon yellow floor-length gown of polyester lace belted in back. Her corsage was of apricot baby rosebuds.

Mrs. Marzluf wore a turquoise floor-length gown of polyester crepe with rem-bordered long sheer sleeves. Her corsage was of white baby rosebuds accented with blue ribbons.

A reception for 300 guests was held after the ceremony at the Moose Lodge in Edwardsville.

The bride, a 1968 graduate of Collinsville High School, attended Southern Illinois

University, Edwardsville for three years and was employed as a bookkeeper for Bookkeepers Business Service Co. in Collinsville.

A graduate of Granite City High School and SIUE, the groom is employed by Nursing Home Managers, Inc. in Taylorville.

Following a honeymoon, the couple will make their home in Taylorville.

Out-of-town guests were from Southgate, Ky., Olney, Carbondale, Taylorville and Springfield.

MARGE SALEM SERVES AS AUDITION JUDGE

Mrs. Marge Salem, owner and instructor of the Salem School of Dance, 3836 John Glenn Drive, served as a judge at the auditions for the newly formed Community Civic Ballet Co. held yesterday in Belleville.

The local instructor has owned her own studio for 13 years, and has been located in Granite City nine years. Mrs. Salem is recording secretary of the St. Louis Chapter of Dance Master's of America.

Shower fetes Cindy Akers

Miss Debbie Grace who will become the bride of David Geggus this month at Suburban Baptist Church was honored at a pre-wedding shower given by Mrs. Ursula Cook in the church fellowship hall last week.

A silver service and punch bowl arranged with crystal candelabra holding pink tapers decorated the serving table. Guests were seated at tables with white lace place mats, etched in pink and white and centered with floral bouquets of white roses and pink baby breath. Favors were tiny scrolls announcing the wedding date.

Mrs. Cook welcomed the guests and read a bible verse relating to the occasion and Mrs. Frankie Barnett led the group in prayer.

After the guest of honor opened her gifts, games were played and refreshments served. Prize winners were Lynn Burch, Loretta Cook, Elaine Stanton, and Christine Ballhorn.

Those present were Wanda Lyerla, Evelyn Mohorn, Wanda Bradford, Hildred Lewis, Flossie and Carrie Petrovich, Susan Crabtree, Sandy and Kathy Cook, Carrie Cook, Dorothy Kohl, Christine Ballhorn, Jo Ann Terrell, Ida Grace, Betty Settle, Sandy Simmons, Evelyn Smith, Anita Harley.

Blanche Grace, mother of the bride-elect, Aline Ballhorn, Lynn Burch, Ethel Rogers, Beth Ward, Mickie Cook, Jean Fisher, Mary Lou Summers, Bonnie Lazenby, Sharon and Gail Purkey, Sandy Townzen, Elaine Slaton, Dorothy Luetherath.

Donna Lewis, Linda Smith, Joy Geggus, mother of the prospective groom, Jane Geggus, Arlene Wyatt, Frankie Barnett, Theresa Grace, Ruth Geggus, Rosa Lux, Wendy Townzen, Edna Jackson, Nancy Cook, Lucy Locke, Jan Rigby, Diane Martin, Mary Mattingly, Bernadine Martin and Mrs. Russell Cridder.

LADIES COTERIE TO RESUME MEETINGS

The Ladies Coterie Club will resume its meetings for the 1974-75 year at 1 p.m. Thursday at Tempel's Smorgasbord, 1535 Johnson Road, according to the club president, Mrs. E. H. Theis.

Mrs. Theis will serve as hostess for the initial meeting and Mrs. Clarence Boettger will be in charge of the afternoon program.

MISS MARGARET SUE DECKARD whose engagement to Ted Eilerman of Granite City is being announced by her parents, Mr. and Mrs. John Deckard of Belleville. A Nov. 9 wedding is planned.

Eilerman-Deckard betrothal

The engagement and plans for a November wedding of Miss Margaret Sue Deckard and Ted Eilerman was a member of the Chamber of Commerce, Optimist Club and health-related organizations in the Quad-City area.

The engaged couple will be married on Nov. 9 at St. Henry Church in Belleville.

Miss Deckard is a graduate of Academy of Notre Dame in Belleville, Belleville Area College Nursing School and Barnes School of Nurse Anesthesia. She now is employed as a supervisor in the nurse anesthesia department at Barnes Hospital.

Her fiancé resides at 4004 Gaslight Walk Apts. and is a son of Mr. and Mrs. E. H. Eilerman, 3 Oak Parkway, St. Louis.

He is a executive vice-president at St. Elizabeth Hospital and graduated from Quincy College, Quincy, Ill., and earned a masters degree in Hospital Administration at

Trinity University graduate school.

Mr. Eilerman is a member of the Chamber of Commerce, Optimist Club and health-related organizations in the Quad-City area.

Katherine Hendrix weds Robert L. Knezevich

Wedding vows were exchanged at 7 o'clock in the evening of Sept. 7 by Miss Katherine L. Hendrix, a daughter of Mr. and Mrs. Jimmie D. Hendrix, Rural Route Two, Granite City, and Marine Corporal Robert L. Knezevich, son of Mr. and Mrs. Mike Knezevich, 2344 State, at Suburban Baptist Church.

The Rev. Bob Worley performed the double-ring ceremony in a candlelight setting and before an altar adorned with bouquets of yellow and white daisies.

Barbara McCasky sang

"Because," accompanied at the organ by Wayne Fisher.

Escorted to the altar by her father, the bride wore a white sate gown fashioned in an Empire silhouette. Alencon lace motifs etched with pearls and crystals accented the high neckline and extended down the skirt to complete a sweeping lace hemline.

She wore a lace bordered mantilla veil and carried a colonial bouquet of carnations, daisies and baby breath encircled with lace.

Attending the bride were Miss Bertha Decker, as maid of

honor, and Misses Lisa Hendrix, Carla Knezevich and Geri Hendrix, bridesmaids.

They were dressed alike in formal-length gowns of yellow floral printed organza with Empire waists, puff sleeves and a duchess neckline edged with narrow scalloped lace.

Their nose tip veils were secured with yellow velvet bows and each held a colonial bouquet of yellow and white carnations accented with baby breath interspersed with foliage.

Tracy Dohr was the flower girl and Richie Logue served as ringbearer.

The groom chose Mike Hauptman as his best man. Her cathedral-length veil of silk illusion was bordered in lace and fell from an open Camelot cap of Venise lace to form a train effect. She carried a summer bouquet of zinnia, sweetheart roses, yellow carnations, accented with baby's breath.

Mrs. Mary Ann Myers of Collinsville served as maid of honor. She selected an empire styled floor-length gown of apricot polyester crepe and a picture hat trimmed with an apricot band.

Flower girl was Kori Besant of Maryville, who wore a full-length yellow gown with an eyelash print pattern, both ruffled at the hemline. She wore a circular eylet hat with a self ruffle.

Both carried summer bouquets of multi-colored rosebuds, daisies, mums and carnations.

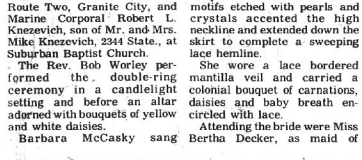

Best man was Joseph Marzluf, brother of the groom. Nephew of the bride, Michael Vanover, was the ring bearer. Steve Pemberton, the bride's brother, of Carbondale, and Walter Marzluf, the groom's brother, of Granite City, were ushers.

For her daughter's wedding, Mrs. Pemberton chose a lemon yellow floor-length gown of polyester lace belted in back. Her corsage was of apricot baby rosebuds.

Mrs. Marzluf wore a turquoise floor-length gown of polyester crepe with rem-bordered long sheer sleeves. Her corsage was of white baby rosebuds accented with blue ribbons.

A reception for 300 guests was held after the ceremony at the Moose Lodge in Edwardsville.

The bride, a 1968 graduate of Collinsville High School, attended Southern Illinois

A short dissertation on the effects of the sun on your savings. By Oliver Esq.

Every day the sun comes up. And the sun goes down. Some days you don't see it. But it does it.

Now, this coming and going of the sun has many interesting effects. People get up and go to bed. Sunbathers get tan. Flowers bloom. And your savings get richer—if you save at Illini Federal, that is.

Because, at Illini Federal, we compound your interest every time the sun comes and goes. Some places do this only once a month or once or twice a year. We do it once a day.

So the first day you earn interest on your savings.

The second day you earn interest on your savings plus your interest. Etcetera.

Then, at the end of the quarter, we add all the interest to your account. Of course, if you withdraw your money before the end of the quarter, we still add the interest you've earned for every day it was on deposit.

Daily compounding means you get a higher annual yield—for instance, 5 1/2% on a pass-book account is actually 5.39% at Illini. It means you earn from the day of deposit until the day of withdrawal. And it may even make your day a little brighter. Hello, sun.

Issue over Nameoki bills looms

Questions on procedures for approving bills are expected to be debated during the next Nameoki Township Board meeting Monday, Sept. 23, as the board attempts to resolve differences of opinion between Supervisor Louis Whitsell and Highway Commissioner Albert Bell.

At last week's town board meeting, Whitsell charged in a letter to the board that Bell was not adequately explaining the purposes of nine bills totaling \$26, submitted to the auditors to be paid.

The supervisor charged the bills were marked only generally with "repairs, parts, material or town fund." He explained later, "I don't understand; the highway commissioner is not even authorized to spend money from the town fund."

Whitsell said a 1980 township ordinance requires that the highway commissioner list the specific purpose for each bill prior to submitting it to the town

board of auditors for approval. "There should be no secret bills," he said in his letter. Bell responded that all the bills were proper. He said he would like to see them sooner to be given more time to study them in depth before submitting them for approval.

Bell said later he did not want to get into a fight on the issue at this time, but commented, "There will be more said on this matter at the next meeting."

Whitsell is alleging that Bell is declining to explain to him what the bills are for, even when asked in person. Some persons feel the disagreement is part of a political feud between the supervisor and highway commissioner. "This may look like politics, but it is not," Whitsell responded.

Bell and Whitsell have

been divided over many issues and the split has become more apparent in recent months. The disagreements led to a fist fight between the two men in March.

Bell now is supporting the candidacy of Mrs. Helen Hawkins against Whitsell in the November election for the Madison County Board. Mrs. Hawkins and Bradley Briggs are independent candidates attempting to win Whitsell's District 26 board seat while Whitsell is attempting to be re-elected.

The board of auditors last week unanimously approved all

bills, including those from the highway department questioned by Whitsell. Township Attorney Nick D. Vassileff gave the board an opinion that under a new state law, townships are allowed to cooperate with other governmental bodies in the spending of federal revenue sharing.

The opinion cleared the way for the township to give a "one-shot" aid check for \$2,468 to the State Park Place Streets Lighting District to pay past due fees of the district's commissioners.

Vassileff's opinion, however, indicated the money should be taken from an upcoming entitlement period, rather than

from revenue sharing the township now has on-hand. Vassileff requested that the method for paying him be changed to allow him to collect his Illinois Municipal Retirement Fund money.

He asked for \$50 per hour, not to exceed \$4,000 per year, rather than the present annual sales of \$3,000 per year as township attorney and \$1,000 per year as township attorney for the highway department.

Whitsell was asked to contact the Illinois Municipal Retirement Fund for more information to be used by the board in making a decision. Whitsell is to make a report at the next meeting.

Auditor Kenneth Gieson, chairman of the sewer and drainage committee, reported all arrangements for the Harrison Avenue drainage project have been completed and contractor George Arnold is to begin the work as soon as the area is dry enough to permit work.

He noted that the Sheppard, Morgan and Schwaab, engineering firm, has completed plans for the drainage of Parkview Estates and that

project will be considered by the board at its next meeting. The board was told that Mayor Mike Sasyk of Madison is arranging a meeting in the near future for township officials and city officials to discuss fire protection, street maintenance and other issues in the East Madison area.

Auditor W. Lee Adams requested that a culvert under the Madison County Nature Trail at Rosville Lane be lowered and was informed the county already plans to do the work.

The board received a check for \$300 from the Granite City Park District as payment for a spray machine the township sold the park district.

Health-safety, pollution fight add to cost hikes

C. E. Blankenship, chairman of the Governmental Affairs Committee, reviewed legislation-related business costs at the September Tri-Cities Area Chamber of Commerce board meeting.

His report was followed by a discussion on inflation and the burdens it is placing on all businesses and individuals. Occupational Safety and Health Act requirements for industries alone will cause them to spend 10 per cent of their new investment capital to comply with OSHA regulations for the next ten years, Blankenship said. He warned that all such spending must be added to consumer costs, further contributing to inflation.

Clean air laws will cost industry \$10 billion per year for the next ten years, and again these costs must be passed on, it was asserted.

Emission control devices on automobiles which must be standard by 1976 will cost each customer another \$1,000 per car, it was estimated; it is doubtful if they are needed in more than 10 per cent of the country, the directors were told. To meet Environmental Protection Association standards on water pollution will cost industry another \$6 billion over the next ten years and noise pollution controls \$31 billion during the decade, Blankenship said. If inflation continues at the present rate, \$1 will be worth 16 cents by the year 2000, he added.

Interest on the national debt now is \$30 billion annually, approximately \$1,000 per second around the clock, he said. Blankenship also expressed the committee's concern regarding an injunction holding up construction of new Lock and Dam 26, two miles south of the present Alton dam. Carl E. Mathias, Industrial Development Committee chairman, reported that the expansion of industry everywhere is being slowed down by the cost of money. Even though a few industries have made inquiries regarding the area, no specific plans have developed, he said.

In the absence of E. A.

Karandjeff, chairman of the Work Program Committee, President Chester L. Baker reported that six meetings with the membership were held on work objectives for next year. They will be put in the form of a circular prior to the October board meeting.

Baker reminded the board of the annual meeting to be held Oct. 10 at Granite City High School North. Joseph Lanterman, chairman of the board, Amsted Industries, will be the speaker.

The budget for the 1974-75 year was explained by Paul Lichtenberger, chairman of the Budget Committee, and was approved by the board of directors.

Barry Loman, chairman of the Ambassadors Committee, presented the following list of new members for board approval and all were accepted by the board.

Archer Daniels-Midland Co., Thomas Austin, superintendent, 3601 Cargill Road; Buenger Accounting & Tax Service, Richard Buenger, 2235 Pontoon Road.

Bullock Garages, Dennis Bourscheidt, 1515 Pontoon Road; Key Optical Co., Saul Greenberg, 506 Olive St., St. Louis; Madison County Hearing Aid Co., M. K. Nack, Wood River. Mitchell Auto Mart, Paul Gain, 501 E. Chain of Rocks Road; Mitchell, Parkside Confectionery, John Hamm and Billy Sullivan, 3202 Maryville Road, and Annex Two, Norman Zimmerman, 6 Nameoki Village.

Route 111 crash injures 3 men

Three men were hurt when the car of Lawrence Hall, 56, Belleville, struck the rear of the stopped car of Gary Irvin, 19, Collinsville, in the southbound lanes of Route 111 at the Route 162 stop sign last week.

Hall was charged with failure to reduce speed to avoid an accident. Both drivers and Samuel Schellingberger, 27, O'Fallon, a passenger in Irvin's auto, were taken to St. Elizabeth Hospital following the accident.

Irvin suffered injuries to his lower back and neck and Hall sustained a cut through his lower lip which required sutures.

X-rays were taken of the three and all were released.

THE SCHERMER BULLETIN

What do you know? Riblets are back!!! We have been trying all year in fact we ran out last fall, but we made the buy. So check today's ad.
Now that the weather is cooler, we are featuring fancy Long Island Ducks. The price is good compared to recent levels.
Many fine comments on the beef we have been cutting recently. Nice young 400 lb. dressed weight animals that eat like butter and have practically no fat are our kind of beef. We believe the trend is to this kind of animal and we are delighted that we can buy them once again. Last year when beef was skyrocketing, they were feeding this cattle so that they grew in over 700 lbs. We're really happy that this situation has straightened itself out.
This week starts the first week of WGNU's R-A-D-I-O (Bingo). If you picked up your card last week-end you can play and win. Starting today we are giving out next week's cards. We hope you enjoy the games. Remember two games broadcast every day at 5:15 and 5:45 (P.M.). Lots of luck.

Programs for children to begin at GC library

By RAY TEVIS
Librarian

Granite City Public Library Walt Disney's most famous fairytale figures—Bambi, Pinocchio, Snow White and others—reach lifelike proportions on GCPL's Bookmobile.

The concept of colorful, festive scenes was developed by Bookmobile Librarian Carole Candy, while Charles Mosby of Charles Mosby Signs provided the artistic and painting talents necessary to make the idea a reality.

The motif appeals to young patrons and will make their visits to the Bookmobile a memorable experience.

Hopefully, such attractive, pleasant surroundings and experiences will promote reading among our children.

+++
The Children's Department will begin its winter programs for children, ages 3-7, on Tuesday, Sept. 17.

This half-hour program will begin at 10 a.m. and features the film, "Mario and the

GRANITE CITY PRESS-RECORD
Mon., Sept. 16, 1974 Page 14

Marvelous Gift," the story of a marvelous gem which spreads happiness until it is broken by the henchman of the wicked witch.

Programs for children, ages 6-12, will begin Saturday, Sept. 21, at 2 p.m. The first half-hour program is "Golden Age of Automobiles," a film about the early history of automobiles.

The department presently offers early afternoon and after-school activities for its young patrons. Chess and checkers are now available, with other activities in development.

+++
NEWS AND NEW ITEMS.
The library is now operating on its winter schedule.

Monday through Thursday, the library is open from 8 a.m. to 5 p.m.

Friday and Saturday, the library also opens at 8 a.m. and closes at 5 p.m.

+++
With Watergate still haunting the political spectrum, you will enjoy reading Bill Magruder's "An American Life: One Man's Road to Watergate" and Carl Bernstein's and Bob Woodward's "All the President's Men."

Remember the motion pictures "The Last Weekend" and "Rebel Without a Cause"? If you do, both Ray Milland's autobiography, "Wide-Eyed in Babylon," and Venable Herndon's biography, "James Dean: A Short Life," will interest you.

Also in biography is Jim Bishop's "FDR's Last Year." Recent fiction includes James Michener's "Centennial."

Roger Kent Hoese, a scholar from nearby Belleville, assisted Michener with the material concerning the Treaty of 1850.

Erlich von Daniken fans can see his pictorial evidence, "In Search of Ancient Gods," and Susan Gellman and Janet Markowitz discuss a serious contemporary social problem in "The Courage to Divorce."

For Gothic paperback readers, there are Charlotte Hunt's "A Touch of Myth" and Christine Randell's "Curse of Deepwater."

+++
Large-print editions of the Reader's Digest and the New York Times Weekly Review, which contains a crossword puzzle, are available at the library circulation desk.

Just ask a staff member to obtain one of them for you. The library anticipates an increase in its large-print collection in the near future.

Dean's list for summer quarter

Southern Illinois University at Edwardsville had 735 students qualifying for the Dean's List during the summer quarter. Perfect averages were compiled by 230 students.

To qualify for the Dean's List, a student must maintain a grade point average of 4.25 or better (B is equivalent to 4.0, and A to 5.0).

Local students qualifying for the Dean's List are named below by home town. Names marked with * indicate students with a 5-point average.

Partnership rules vary

"A rose is a rose is a rose," but a partnership may be general or limited, says the Illinois State Bar Association. Each member of a general partnership is liable for 100 percent of the partnership obligations without regard to the percentage of profits he may share. A general partner's liability is not limited to his investment.

A limited partnership consists of one or more general partners and one or more limited partners. Limited partners are restricted in their rights to participate in the management of the business.

The general partners manage the business and have the same liability for losses as they would in a general partnership.

Limited partners share profits like general partners or receive other compensation by way of income—but their liability for losses is limited to the amount of their capital investment.

A general partner in a partnership is much the same as a general partner in a general partnership. On the other hand, a limited partner more closely resembles a stockholder in a corporation.

The state bar group points out that every type of business organization has comparative advantages and disadvantages for the investor. And the tax consequences of his ownership vary, depending on whether he is a proprietor, a general partner, limited partner or corporate shareholder.

New medical laws signed

Gov. Dan Walker last week signed three health-related bills intended to provide more qualified medical personnel to serve the people of Illinois.

All three bills received broad bi-partisan support in both houses of the General Assembly.

Senate Bill 1621 amends the Medical Practices Act to provide an avenue to full licensure to Illinois residents who complete medical school at certain foreign schools which require two years of local post graduate work prior to granting an M.D. degree.

Under present law, these foreign trained students are required to repeat two years of medical school to obtain their M.D. before they would be eligible to take the state physician's test.

Persons who have resided in Illinois for five years prior to attending a foreign school will now be able to receive a state physician's license after satisfactory completion of clinical training at a medical school in Illinois and passing the physician's test.

Students at the medical college at Guadalajara, Mexico, and Bologna, Spain, will qualify under the terms of the bill.

Senate Bill 1620 appropriates \$60,000 to the Board of Higher Education to fund the clinical training required for the Illinois residents affected by Senate Bill 1621.

Senate Bill 1676 establishes a permanent program for regulating the use of mobile intensive care units and "paramedics." A pilot program for this innovation in health care was established by the

General Assembly in 1972. The bill also creates an advisory board for the program.

Walker used his amendatory veto on part of the bill which would have had the effect of deterring doctors, nurses and "paramedics" from performing emergency medical duties.

The governor's suggested change retains immunity from liability for health providers who perform reasonable emergency treatment in good faith.

Gov. Walker said, "These bills should lead to better medical treatment for the people simply by providing more qualified doctors to practice in the state."

"And now we will have a permanent program for mobile intensive care in emergency situations where there are no doctors on the scene. Paramedics and nurses, in radio contact with doctors at nearby hospitals, will be able to continue to perform their important lifesaving work."

Named to staff of legal publication

Kathleen Moran of Granite City is one of 24 students at the University of Kansas School of Law who has been invited to join the staff of the Kansas Law Review, a quarterly publication of the School of Law. This invitation was extended as a result of her academic and writing excellence, officials said.

The Kansas Law Review, an exclusively student-managed publication, provides training in legal writing and research to the members of the Review staff. In addition, it provides a means of conveying analyses of important current legal problems.

Miss Moran is the daughter of Judge and Mrs. George J. Moran, Granite City.

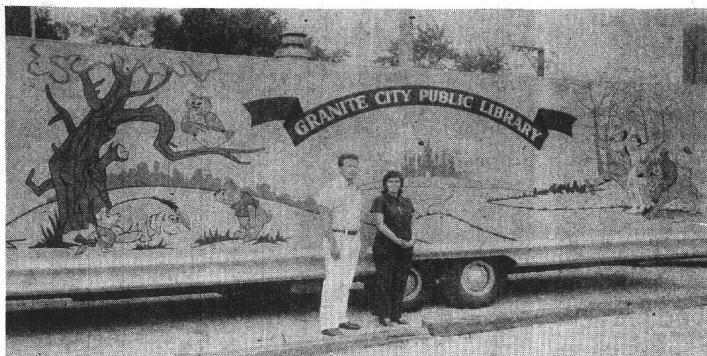

Tips on cutting your heating costs:

a little cleaning saves a lot of money

It's worth a little effort to keep all elements of your heating system clean. You'll save on fuel bills and enjoy safe, trouble-free heating. Here are a few check points...

1. With a circulating warm air furnace, clean the heat exchanger and burners.
2. Clean or replace furnace filters frequently.
3. Clean lint regularly from hot water or steam radiators.
4. Flush the low-water cut-off of a steam boiler once a week until water runs clear.
5. Clean lint and other debris from registers or electric heat baseboard panels.
6. Blowers and blower motors should be cleaned and oiled sparingly at regular intervals. Make sure the blower belt is tight and not worn.
7. Make sure the chimney is free of any debris. Check the chimney by placing a lighted match under the diverter, at the connection of the furnace exhaust pipe. If the flame blows out or downward, shut down the furnace until the chimney is cleaned.
8. Weatherstrip all doors and windows to prevent heat loss.
9. Storm sash and storm doors save money on fuel bills. Or cover doors and windows with clear plastic.
10. You can be comfortable at lower temperatures by raising the humidity. Use an electric humidifier or water containers on registers or radiators.
11. Thermostat should be on an inside wall, away from sources of heat such as registers or lamps.

Kiwanis ready for peanut day

Kiwanians Edwin L. Moore and William Hayes, co-chairmen of the Granite City Evening Kiwanis peanut sale, told members of the club that arrangements are complete for the Sept. 22 and 23 event, which is to be held in conjunction with the Breakfast Kiwanis Club. The group met last week in Charles's Restaurant for a business meeting.

President-elect Joseph Palovich, Darrell Weible, William Hayes and Moore reported to the club on the leadership conference they attended in Mount Vernon on Sept. 7.

The club will hold a family picnic beginning at 10 a.m. Sunday, Sept. 22, at Conrad Bauer's farm near Edwardsville.

It was announced that the two local Kiwanis clubs will have a ladies' night on Oct. 17. The place is yet to be determined.

St. Charles area canal is proposed

St. Charles County's application for approval as a port authority is the first to be granted by the Missouri State Department of Transportation. St. Charles is a member of the Missouri-Illinois Metropolitan Port Association, of which Carl A. Ranft of Granite City is chairman.

Unanimous approval was given by the Transportation Commission following a public hearing last week.

This approval establishes the St. Charles County Port Authority as a political subdivision of the state of Missouri with power of eminent domain and authority to issue revenue bonds or notes.

The concept of port development envisioned for the St. Charles County area is the child of Darby R. Tally, associate judge of the St. Charles County Court. This concept, as outlined in the port authority application, would involve the cutting of a canal across county farmland, connecting the Missouri and Mississippi rivers.

Such a canal would permit a saving of 60 miles to waterborne traffic moving along the two rivers, it is contended. The county also has the geographic advantage of being located near the confluence of three rivers—the Mississippi, Missouri and Illinois rivers.

In voicing his approval, Lee R. Schuster, commission member from St. Joseph, Mo., said, "If half of what's been outlined gets off the ground, it would be a shot in the arm not only for St. Charles County but for the entire Midwest."

The chairman of the Harborland Planning Commission said "We need projects such as this one envisioned by Judge Tally to help our area."

He referred to the static industrial development in the St. Louis area compared to such booming areas as Memphis and Atlanta.

A representative of the Kansas City Chamber of Commerce called the St. Charles project "fertile" and said his Chamber unanimously passed a resolution supporting the port authority.

"The proposed canal might be five or six miles in length," Judge Tally said, "depending on its exact location as determined by engineering studies yet to be conducted."

The canal would serve as the focal point of an industrial development complex, with industry situated along the canal and on loading and unloading slips off the main body of water.

The canal would serve as the focal point of an industrial development complex, with industry situated along the canal and on loading and unloading slips off the main body of water.

Rejects food stamp cut

James L. Trainor, acting director of the Illinois Department of Public Aid, explained late last week that the agency is refusing to comply with federal orders changing food stamp allowances "because the changes will seriously hurt about half of the state's welfare families."

Trainor said Illinois has decided against implementing a two-year-old regulation of the U.S. Department of Agriculture (USDA) requiring that food stamp purchase calculations be computed on the basis of income. Presently the state's food stamp purchase calculations are based on a percentage of the family's or individual's monthly food budget.

Trainor commented on the reasons for the decision: "I have been informed that there is a serious legal question about whether USDA can require Illinois to implement the income method of determining food stamp purchase levels for persons receiving cash assistance."

"In preparing to comply with the requirement, the department also found that implementation of the income method will hurt a substantial percentage of food stamp recipients. For example, of those families in public housing, well over 80 per cent would receive reductions in food stamp benefits. About half of the balance of the state's food stamp recipients would be negatively affected."

"I have, therefore, decided not to implement the income method in Illinois, but rather to continue using the same tables for the basis of issuance that we have used in the past."

"Most seriously affected by this change would be welfare families living in public housing," Trainor explained. "A study made by the department shows that as high as 87 per cent of recipients living in public housing in Chicago would suffer decreases in food stamp benefits under this income system."

The study shows, that, in a sample of 12,897 Chicago households, 11,178 would be decreased an average of \$15.14 a month; 1,378 would be increased an average of \$11.60 a month, and \$48 would remain at the same level."

Statewide, about half of the welfare families would be affected by the decision.

Development of a master plan and building plan for the School of Dental Medicine at Southern Illinois University at Edwardsville was approved Thursday by the SIU Board of Trustees. The school is located at the Alton Center of SIUE.

When the dental school was opened in 1972, the location at Alton was considered temporary. Since that time, the Alton center has been designated as the permanent home of the school.

William Fenoughy, exalted ruler of Belleville Lodge 481, Benevolent and Protective Order of Elks, has announced the highlight of the lodge's 75th Anniversary will be a visit by Grand Exalted Ruler Gerald Strohm.

Grand Exalted Ruler Strohm will visit the lodge tomorrow. He will arrive in Belleville at noon and will be taken to Scott Air Force Base for a lunch at 1 p.m.

Following the luncheon at the Officers' Club, he will be given a briefing by a team from the Military Airlift Command. Then will be an inspection of base operations and a hospital plane and bus.

Following the Scott tour,

Grand Exalted Ruler Stromm will visit the Elks Bath and Swim Club, 1513 S. Illinois St., where he will be guest at a luncheon and business conference beginning at 4 p.m.

At 7 p.m. he will attend dinner at the lodge, 11 West Adams St., where he will be welcomed by James Kenney of Granite City, president of the Illinois Elks Association, as well as by Stromm's son, Fred Stromm, a 63-year-old retired major in the Army's 103rd Infantry Division Artillery, who served in the Pacific during World War II. He became a certified public accountant in 1948 and is a member of the Elks lodge in Fresno, Calif., where he resides with his wife, the former Marie Maguire.

Stromm was elected head of Elksdom during the annual convention at Miami Beach, Fla. The Elks now have 1,200 lodges in 49 states and 191 countries in the 30 states, Canal Zone, Guam, Puerto Rico and the Virgin Islands.

The group spends \$16 million annually for benevolent, patriotic and educational projects.

The Belleville lodge was

Don Watson, exalted ruler of Elks Lodge 1083, presided at the meeting Tuesday night as plans were formulated for forthcoming events.

A gin rummy tournament and dinner is planned Sept. 18 at the lodge and prizes will be awarded to the winners.

Also announced were plans for the kick-off dinner on Sept. 21 at 7 o'clock, featuring the music of the "Skylighters."

Watson reported that local officers will attend the Belleville Elks meeting on Tuesday evening to celebrate the lodge's 75th anniversary.

Members discussed plans to sponsor a softball league next spring for ages 12 to 31, to have a younger, and to start a membership drive under state guidelines.

John W. Weingaertner has been appointed works engineer at the Granite City plant of American Cyanamid Co. The appointment was announced by M. B. Milonski, works manager.

Weingaertner succeeded Alfred C. Guthrie, who spent 30 years of company service. Guthrie will be an engineering consultant until his retirement date.

Since 1972, Weingaertner had been serving as assistant works engineer at the Granite City plant. He joined ASF in 1970 as a special engineer.

A 1950 mechanical engineering graduate of the University of Missouri at Rolla, Weingaertner also is a director of the American Society of Mechanical Engineers, and a registered professional engineer in the state of Missouri. He is a member of the Society of Foundrymen's American.

He and his wife, Jean, reside in St. Louis. Residence in Webster Groves. Three daughters.

son, Weingaertner's duties as assistant Boy Scout master and is active in the PTA.

Guthrie joined ASF in 1936. He became assistant works manager at the Granite City plant in 1941, general foreman of the repair department in 1946, assistant to the works manager in 1950, and works manager in 1952. He and his wife, Nell, resided in St. Louis.

The ASF Granite City plant manufactures cast steel side frames and bolsters for railroad freight cars. It is one of the largest steel foundry operations in the nation.

ASF, a division of AMSTEEL Industries, has other plants in Chicago, St. Louis, St. Paul, Chicago and Hammond, Ind.

In addition to cast steel freight car components, the company manufactures steel springs for locomotives, freight cars and earthmoving equipment and also fifth wheels, the coupler which connects a high speed freight car to a locomotive.

CRIME PREVENTION AND CONTROL topics are shown being discussed by a Tri-Cities Area Chamber of Commerce committee. Clockwise from the left foreground are Henry Ross, Venice Police Chief Ralph Brawley, Tom Thebeau, Venice Township Supervisor Christ Passhof, William Nichols, Venice Mayor William M. Ebersold, Warren Decatur, committee chairman, Madison Police Chief Frank Dutko, C. A. MacMillan, Granite City Alderman Everett Morlen, Michael Toundas and Granite City Police Chief Ronald Veizer (center foreground).

The continuing war against crime was reviewed as Warren Decatur, chairman of the Crime Prevention and Control Committee of the Tri-Cities Area Chamber of Commerce, conducted a September 11 meeting at the Venice City Hall.

The committee first took up the subject of fire lanes for the Nameoki Village and Cross Roads shopping centers. The committee has previously submitted their proposals for fire lanes to Monroe Brewer, city engineer, who will contact Don Parente, fire chief, as soon as the plans are ready.

After approval by the chiefs of the fire department, they will be submitted to the City Council, which will consider enacting an ordinance, it was noted.

OCCUPATIONAL HAZARD. Pictured is Madison County Car No. 25 which received three bullet holes in the windshield last week when Deputy Sheriff Richard McIntosh started to get out of the car to question two men in The Bend area. They fled on a motorcycle.

It was agreed that State Senator Sam Vadnalabene, State Representative John J. Calabrese and Robert Walters, and Frank Whittaker, special projects, crime prevention and control members of the Illinois State Chamber, Chicago, will be invited to the next committee meeting to discuss it further.

Abandoned houses in The Woodlands were inspected and bought land for Horseshoe Lake State Park were discussed. It was agreed that abandoned houses are being vandalized and have become a gathering place.

The committee concluded that such houses should be razed or burned, since they are no longer useful.

The committee received a letter from the Illinois Department of Conservation, advising that it is establishing a full-time law enforcement and inspection unit to remove demolition contract awarded to remove abandoned houses on

Five Quad-City men were indicted on felony charges by a Madison County grand jury at Edwardsville Thursday.

Keith A. Dermott, 19, of the 2406 block of East 25th St., was charged with first degree burglary at the home of Wanda Wright, 2304 Washington Ave. Aug. 21. He was held in the Madison County Jail pending posting of \$7,500 bond.

James Earl Hill, 29, of the 400 block of Lincoln St., Venice was indicted on an aggravated battery charge in connection with the stabbing of Ray Valencia, 23, of 2421 S. Starling Ave., Madison, Aug. 22. Tavern, 1225 Madison Ave. Madison. Valencia recovered from the wound to his left upper abdomen.

Rodney L. Rodgers, of the 2300

block of Cardinal Ave. was indicted on a theft charge, alleging he stole a camera, case, flash unit, two lenses, a 35 mm. camera, a desk set, a desk pen and pad set from Archer Daniels Midland Co., 3601 Cargill Road, earlier this year. Bond was set at \$10,000.

Robert Bell, 31, of Grezner Homes, Madison, was indicted on a charge of attempted burglary, allegedly he attempted to enter Garrett & Sons Tavern, 801 Jackson St., Madison, June 26. He was released on a \$3,000 recognizance bond.

Joseph James Banks, 19, of the 1100 blocks of Logan St., Venice, was named in a true bill indictment for attempted burglary of a car on Jan. 27, 1977, and on cannibasis Aug. 9, 1976. Venice Police approached his car for parking illegally in a residential area on N. Neil

St. They allege 27 envelopes of cannabis were inside the vehicle. He was released on a \$4,000 recognizance bond.

The grand jury indicted on an East St. Louis man, Anderson Bolden, on a burglary charge. He allegedly entered a car on the Terminal Railroad Association of St. Louis near Fifth and State streets, Madison, July 28 with intent to commit a theft.

Most of SIUE operating budget goes for salaries

The Southern Illinois University Board of Trustees approved Thursday a \$38,077,374 operating budget for SIUE at Edwardsville based on state appropriations and anticipated non-appropriated income for the 1974-75 fiscal year which began July 1.

Of the total budget, 56.9 per cent will be used to cover costs of instruction and research plus programs, such as operation of the library, which are related specifically to these two primary university functions. The budget is based on estimated income of \$29,211,800 from state appropriations and \$8,865,574 in non-appropriated income.

A breakdown of the budget shows \$25,880,700 (68.0 per cent) going for salaries.

Other budget categories in-

clude 1.2 per cent for travel, 1.9 per cent for equipment, 5.4 per cent for commodities, 13.3 per cent for contractual services, 0.9 per cent for mileage charges on automotive equipment, 2.2 per cent for telecommunications and 3.6 per cent for contributions to the retirement system and student aid.

The budget includes \$18,658,962 for instruction and departmental research in 22 different areas, \$479,732 for organized activities relating to educational departments, such as the Supplemental Instructional Program, and \$1,555,177 for Lovejoy Library and audiovisual services which did the instructional program.

Research to be financed by SIUE totals \$690,178. This includes estimated research projects to be funded by grants from agencies outside the university.

Extension and public services were budgeted for \$664,632. Student services were allocated \$1,517,183. Included are funds for the university's health services, placement services, student housing, the student work and financial assistance office, career and educational development and student activities.

A total of \$3,626,588 has been allocated to operation and maintenance of the physical plant. This grouping includes cost of utilities, grounds care, janitorial and building operation services, fire protection, security, insurance, repairs, and rental of the Broadview Hotel in East St. Louis as the site of the SIUE Center there.

General administration costs are budgeted at \$2,743,267. This includes expenses for business affairs operations, the controller and budget director, legal counsel, administrative accounting, administrative data control, vice-bursar's office, financial analysis and reports, operation of the general offices at Alton and East St. Louis, the payroll office, the registrar's office, the University Senate and the offices of the president and senior vice president.

General institutional expenses will total \$1,397,405. This includes alumni services, data processing, administrative office of the SIUE Foundation, institutional research, graphics and publications, the information center, news and photographic services and the campus post office.

Auxiliary enterprises are budgeted at \$4,155,858 and includes operation of the University Center, Tower Lake Apartments and Textbook Rental.

A total of \$475,400 has been allocated for student aid.

BOWLING LEAGUES
NOW FORMING

MEMBERSHIP DRIVE. Mesdames Julius Sobczak and Gary Butler of the Granite City Unit are shown studying membership materials discussed at the Homemakers Extension Association membership kickoff luncheon held in Edwardsville last week. The educational organization has 1,110 members throughout the county and wants to push that number to 1,200.

Authorize architect fees

Southern Illinois University at Edwardsville has been authorized to spend up to \$30,000 during the current fiscal year for professional services by licensed architects and engineers not regularly employed by the university.

The SIUE Board of Trustees authorized the expenditure Thursday to provide specialized services not available to the university on a daily basis through its existing staff. A similar authorization for \$20,000 was approved by the board of the previous fiscal year.

The Office of Architectural and Engineering Services was phased out as an economy move in 1972. Since that time outside architects and engineers have been engaged as needed for specific repair, renovation and planning projects. Substantial savings have been made compared to the cost of retaining a full-time staff in that area, members of the board were advised.

Fees to be paid for architectural and engineering services will conform to the fee schedule of the Southern Illinois chapter of the American Institute of Architects and the Illinois Society of Professional Engineers.

The encumbrance will be made against operating funds budgeted for plant operations.

The Southern Illinois University Board of Trustees on Thursday confirmed the appointment of Edward S. Daniel of Highland as treasurer of the Southern Illinois University at Edwardsville Foundation.

Daniel had been assistant treasurer of the foundation before Edwardsville and Carbondale foundation units were separated. He has been a member of the SIUE staff since 1966. Previously he had served the University at Carbondale since 1963.

The trustees also confirmed appointment of William P. Ahlbrand of St. Louis as chairman of the department of secondary education in the SIUE School of Education. He earned his bachelor of science in education degree at Concordia College in River Forest, Ill., and masters and doctoral degrees at Concordia College in River Forest, Ill., and masters and doctoral degrees from Washington University.

Ahlbrand has been a member of the SIUE faculty since 1969. Dr. Emerson Carpenter of St. Louis was appointed director of the Health Service at SIUE. Carpenter joined the Health Service as a staff physician in 1970. He received his medical degree from the University of Pennsylvania.

Richard D. Madison of Edwardsville was appointed director of the University Center at SIUE, succeeding Robert W. Handy who has resigned.

Joint specialist program
Southern Illinois University at Edwardsville and Sangamon State University in Springfield will begin a cooperative certificate of specialist program in education administration. The SIUE Board of Trustees approved the plan here Thursday.

The specialist program provides one year of training beyond the masters degree. SIUE at Edwardsville has had a program of this kind for several years, but Sangamon State has no instructional program beyond the level of a masters degree.

Certificates earned in the program will be awarded by SIUE. Entrance requirements, academic quality standards and graduation requirements will be the same as those used by SIUE for the on-campus certificate program. Students will be able to take courses at either university.

The typical student in the cooperative program is expected to be someone employed in education in the Springfield area. Individuals in that area do not have access now to graduate study beyond the masters degree.

SIUE officials said a cooperative program was proposed rather than establishment of a resident center because of economies which could be achieved through a cooperative effort.

Delinquents aid patients

A program aimed at improving juvenile delinquents' self-concepts, pioneered five years ago at Southern Illinois University at Edwardsville, is the subject of an article published in the current issue of Hospital and Community Psychiatry, a journal of the American Psychiatric Association.

Written by J. Robert Russo, associate dean of the SIUE Graduate School, the article describes the research project which Russo launched in 1969 while he was an associate professor of psychology and the recipient of a grant from the U.S. Office of Education.

Basically, the program involves taking juvenile delinquents from Pere Marquette School Camp, operated by the Illinois Department of Corrections, to visit patients at Alton State Hospital. The purpose is to improve the self-concept of the

delinquents by giving them an opportunity to help others.

The article explains that, for about four months, the delinquents go to the hospital every other day to work with the patients in a variety of individual and group activities. Comparison with control groups has shown that at the end of the four months, the self-concept of the delinquents improves, as does the behavior of the patients they visit.

"The program is continuing to operate and to expand without external financial aid," Russo said. "More than 90 per cent of the boys in the facility volunteer to visit hospital patients, far more than can be accepted."

By early 1974, a total of 62 'delinquent aides' had participated in the program. All but eight completed the program; two of them had visited hospital regulations, three had violated correctional-facility

Comment and analysis

Sept. 16, 1974

Access road to the shopping center area west of Nameoki Road is long overdue and deserves the active support of citizens and organizations

Despite new traffic lights and turn arrangements scheduled for Nameoki Road at Fehling and to the north, that busy four-lane thoroughfare seems destined to continue to have severe congestion problems until additional access is provided for the row of Nameoki Road shopping centers.

The Prayer Breakfast Group last week reviewed the issue and decided to seek the backing of other local organizations. It is hoped to

focus governmental attention on providing a new roadway west of some of the shopping centers and perhaps connecting with the Downtown area.

The project appears to deserve high priority on the agendas of citizens, businesses, organizations and public officials.

"You just can't hardly get there from here" surely need not become the permanent "state of the community" and its traffic flow.

'Democracy' is prevailing and a restaurant again is being turned down as being such a potential nuisance that it shouldn't be allowed to open

It was "democracy in action," or was it?

More than 30 persons jammed the small basement meeting area of the city office building at 2301 Adams St. Thursday afternoon to urge the City Plan Commission to block rezoning that would permit a Denny's Restaurant at Nameoki Road and Cottage Avenue.

The man proposing the restaurant failed to appear due to perhaps due to a surge of public indignation that has been developing. For whatever reason, he was not present and those who were there were vocal in favoring rejection.

The Plan Commission responded to the group's wishes, and the City Council is likely to do the same tonight. It would take 10 of the 14 aldermen to override the commission's vote since objections were heard; otherwise, a simple majority could override the commission.

Nobody is speaking up in behalf of the restaurant, so it seems destined for defeat, just as last April, when another individual planning a Denny's was blocked by neighbors, commission members and aldermen.

We don't know the current applicant, and nobody asked us to speak up for him, but one wonders if a precedent is being set that could bear bitter fruit in the future.

Since Nameoki Road has become so predominantly a location for retail-commercial-business activity, such a use of the site can hardly be considered unsound.

Perhaps some competitors would prefer not to have what they might view as "over-saturation of the market," but the consuming

public never before has had any trouble resolving such matters. Besides, customer "traffic" tends to help, rather than hurt, competing enterprises.

A long list of supposed evils—including trash, auto traffic, noise and the potential conduct of patrons—is being cited. We have eaten at a few Denny's in other cities, and the fears seem unjustified. It's a restaurant, not a drive-in, and offers a diversified menu.

If a limit is to be set on the number of restaurants here, it may be that the city would be guilty of restraint of trade. Perhaps officials could skirt such legal problems by attributing their thumbs-down attitude to other reasons, but a heavy-handed precedent nevertheless would be set.

Limits on freedom must be imposed even in the world's greatest democracy, but the Denny's experience brings the municipality close to creating barriers that are arbitrary and inconsistent.

A lot of sympathy for their viewpoint is being gained by opponents who point to late-night gatherings at a Nameoki Road drive-in. There are indications that this will be "solved" not through normal law enforcement procedures but by putting the city into the role of deciding what business hours are going to be tolerated.

Even in the "Music Man" era, when towns "rolled up the sidewalks" early in the evening to stamp out sin and foolery, we don't recall restaurants as being the scapegoat. In those days, it was "poothalls" which began with "P."

Jewish holy days bring hopes for health, food, peace, understanding

To the Editor:

With the passing of Labor Day, we American Jews are alerted that our high holy days are approaching and will begin preparations for the ten-day period of the "Days of Awe," beginning with Rosh HaShanah and ending with Yom Kippur.

Rosh HaShanah (literally "Head of the Year") begins the ten-day period of introspection and examination of one's life and deeds in the concluding year, with a view to doing better in the approaching year.

At this time, we go to anyone we have wronged and ask forgiveness. We give to charities, and turn our attention toward the synagogues and temples of our faith, (we who are religious; other Jews Don't).

We know we must stand before the Holy One, blessed be He, and beg His forgiveness on Yom Kippur (the Day of Atonement).

In ancient times, our high priest did this for us with annual sacrifices in Jerusalem before our temple was destroyed.

Now we approach our King, blessed be He, with repentance, good deeds, charities and a prayer to restore our temple and its sacrifices.

Although reforms and conservative disciplines have expunged prayers for restoration of the temple,

Orthodox Jews and others continue to pray for it.

Ancient Rabbins lore would have it that this year is the 5755th year since the creation of the world; let the reader be fully persuaded in his own mind.

Nevertheless, let us look forward to 5755 with hope. As for my hopes, I can only dream of a better world. But maybe—maybe this will be the year the Arab "guerilla" gangsters' guns will fall silent, so that instead of 50 women and children being slaughtered, none will die.

Maybe this year the Arab leaders will quit exploiting the Jewish people and the squalor of Palestinian refugees and instead of constantly whipping them up to war frenzy, will use \$500 million to build schools, housing and roads, instead of buying arms, tanks and computerized rocketry.

Maybe this year our beloved nation will be made aware of its need to reform its attitudes and moral direction so that our founding fathers' initiative and independence will oversee our efforts to better ourselves, instead of every one being to one or another of the various bureaus of government to do everything for us.

Maybe this year, a cure will be found for cancer and a breakthrough will be made in food production so that every man can at least live

THE FORUM

17th and State unsafe without sign

To the Editor:

We the people of the 1700 block of State St. have just received bad news sign posted on the corner of 17th and State streets.

In the first place, we asked to have it made a four-way stop, but all we could get was a three-way stop.

Now we are told that they want to take this one down, that it is not necessary.

If they think it is unnecessary, then explain why everyone in the apartment that I live in has had a least one or more cars wrecked or "totaled out."

This does not include countless other senseless wrecks throughout the block.

The reason we thought stop signs were a stupid idea when cars come down State from Madison, there are no stop lights or stop signs until 18th and State streets.

This gives them a wide-open road which, for some, is an invitation to speed.

Coming from the stop sign on 18th and State, some of the cars peel out and hot rod all the way into Madison.

It is for these reasons that we do not wish the city to eliminate this new stop sign, but to go further and make 17th and State

streets a four-way stop.

Come on, let's make it safe for the children.

Drainage issue or political ambition?

To the Editor:

It seems as though surprises never cease.

It seems such a surprise to everyone that Helen Hawkins

would suddenly decide to run against Lou Whittell for the County Board, but not me.

I told Mr. Whittell a long time ago, when he was encouraging

her, that he should study her characteristics and past record of pumping herself up at the expense of others.

She began as a Republican because that was the "in" group, so she thought.

She then campaigned for the governor and state representative on the Republican ticket.

Sister Agnessa to be honored at faculty tea

St. Mary's PTA met last week in the school cafeteria, with President Dolores Brinker announcing room mothers for the year. For grade one

through eight, they are Mesdames Mae Hill, Vickie Skundrich, Diana Ragsdale, Betty Duba, Sis. Pindie, Cathy Duhall and Alida Yurko.

A report on the faculty tea to be held Sunday, Sept. 22, at 2 p.m. at St. Mary's Church Hall was given by Co-Chairman Helen Roling.

The tea, which is given for the faculty of St. Mary's and St. Mary's schools, has an added distinction this year. The retirement of Sister Agnessa from the faculty of St. Mary's will be recognized and the public and former pupils of hers are invited to attend.

But when the time was right for her, she betrayed them and called herself an independent. That is an easy way to go. In case something goes wrong, you can always say, "Well, I was independent."

Mr. Whittell has and always will be a Democrat. He has and will stand his ground.

Many of us people from the Dobry Slough area who have flood problems worked very hard with Helen for several years because we thought she was another one of us—a flood victim. But the truth of the matter was that she was using us to further her own purposes, and Dobry Slough was the best issue she had at the time.

Mitchell

MRS. LOIS WEEKS
128 Cynthia Lane
931-1493

HONORED ON BIRTHDAY

Mrs. Gail Acecks was honored on her birthday last week with a party given at the home of Mrs. Sue Cowan, 5184 Nameoki Road.

The present were Joe Stiller, Gary Storey, Sherry Russell, George Storey, Karen Krueger, Mr. and Mrs. Jim Davidson and son, Jay, Mr. and Mrs. John Tullock Jr., Tim Acecks, Sherri Aldrich, Mr. and Mrs. Dan Ward and children, Mr. and Mrs. Randy Carlson and son, Wilma Gilliland, Sara Kiehl, April and David Turcott, Evelyn Lynn Olson and the honoree's husband, Steven Acecks.

She kept her face in the papers and her name out from the flood, but what of the slough problem?

It seems a long time since Helen has come out with anything about it. She has taken all the credit for getting the slough started, but it was not her who really got it done. Mr. Calvo did as much as, if not more than, anyone I know.

She fought with the East Side Levee District as they tried to work in this area, pumping as much water as they could. She so provoked that they did not know what to do to please people.

3 elected at district meet

The Eagles Auxiliary 1126 heard a report given by Mrs. Dolores Klesh on the district meeting held in Jerseyville, Ill. announcing three local members were elected to offices.

Mrs. Billie Schuler, local president, will serve as district inside guard; Mrs. Helen Prazier, district vice-chairman, and Mrs. Klesh, district secretary.

Others attending the district event were Mrs. Frances Steinman, Mrs. Florence Hagnauer, Mrs. Judy Holbrook and Mrs. Angie Buehler.

Mrs. Schuler, presided at the meeting and announced five local members also will attend the annual state conference to take place in Galesburg, Ill.

Patience Circle opens season

Mrs. Clara Sotiroff was in charge of the devotional lesson at the first meeting of Patience Circle of Niedringhaus United Methodist Church in Wesley Hall.

She chose as the program topic "Resisting the Occult," by Dr. James D. Houston, and also "Thank you for Coming" on a visit to England and the Holy Trinity Church.

A covered dish luncheon was served preceding the meeting.

Mrs. Ethel Lerch, circle leader, presided. The business session. She reported the members would serve at the general meeting and the circle also would have the Aunt Fannies Attie booth at the church annual bazaar on Nov. 22.

Progressive class hosts pot luck

The Progressive Class of Second Baptist Church met at the church last week for a meeting, pot luck dinner and to honor members who had birthdays during the past three months.

Devotions were given by Mrs. Mesdames M. Eugene, Denise Watson, Florence Paul, Louis Wallace, Lena Bonnavar, Mamie Stroud, Aileen Reagan, Edith Wilson, Rachel Westphal, Georgia Mitchell, Lena Stephens, and guests, the Rev. and Mrs. Eugene Dutton, Edith Wilson, Ruth Hassler, Minnie Cavins, and Dorothy Barnes.

The next meeting will be with Mrs. Roberts.

Six undergo surgery here

Patients at St. Elizabeth Hospital recovering after major surgery.

Wells, Balthalto, Ill.; Virgie Sprulock, 1247 Rhodes St.; Judith Modrasie, 1700 Kenwood Drive; Edna Wirtz, 204 Waverly Ave.; Gordon Billingham, 2436 Edwards St.; Rita Wideman, 4901 Carl Ave.

MRS. THOMPSON HOME FROM HOSPITAL

Mrs. Maileen Thompson, 4700 Breckenridge Lane, returned to her home Friday afternoon from St. Elizabeth Hospital in Granite City.

She had been a patient at the hospital for five weeks for treatment of a heart condition.

Emerson PTA discusses playground

A "Junk yard" playground was the topic of the program presented by Miss Dorothy Bailey at the initial meeting of

the Emerson School PTA last week.

Miss Bailey, a physical education teacher at Randall Johnson School, outlined the specific items used for the children's playground and explained that parents, teachers and students helped to construct the equipment.

Hurt in accident

William Earhart, 33, Rural Route One, Box 1332, Granite City, was injured in an auto accident at the intersection of West Pontoon Road near Route 3 at 3:35 a.m. Friday. Earhart said he lost consciousness and was not sure what his auto struck.

He was taken by ambulance to St. Elizabeth Hospital where x-rays were taken of his skull, spine and chest. He was admitted.

Burglary charged

Gary C. Kennerly, 19, of 2508 Sheridan Ave., was charged with burglary at 12:35 a.m. Friday after police alleged finding him hiding inside Oonk's Drive-In Liquors, 2600 Madison Ave.

Awareness program planned Thursday

The Parents Association of Gifted Education will present a "special awareness" program at a meeting Thursday at 7:30 a.m. in the 300 Room at Tri-Mor Bowl, 3701 Nameoki Road.

The program will be built around the theme of "Identifying the Talented." Attendance by parents of school-age children was urged.

During the meeting, school principal Alfred Wilson, introduced the teachers and faculty, followed by refreshments served by the executive board.

Spaghetti dinner planned Oct. 12

A spaghetti dinner set for Oct. 12 was the main topic of discussion at the Emerson PTA during a meeting Tuesday night at the Elks Lodge, with Mrs. Lorraine Williams, president.

The president also heard a report on a recent hole-in-one contest with the proceeds allotted to the crippled children fund.

Mrs. Theresa Harding won the evening prize and the remainder of the evening was spent in holding a white elephant auction, conducted by Mrs. Helen Todd and Mrs. Marcia Buehner.

Methodist Women hear Rev. Smith

"The History of the United Methodist Women and Its Purpose" was the subject of a devotional lesson given by the Rev. Michael Smith at a meeting in the church basement, last week.

Members of the United Methodist Women met in the afternoon, with Mrs. Estella McBrian offering the opening prayer.

Others present included Mesdames Esther Draper, Julia Dixon, Ann Ritter, Hilda Whitehall, Thelma Black, Barbara Radcliff, Joanna Jern, Zetta Neil.

Fun fair Friday at Maryville

An autumn Fun Fair will be held from 4:30 to 6 p.m. Friday at Maryville School, sponsored by the school PTA Unit, and will be open to the public. Mrs. Carol Grimm, president, announced.

The fair started, but it was not her who really got it done. Mr. Calvo did as much as, if not more than, anyone I know.

She fought with the East Side Levee District as they tried to work in this area, pumping as much water as they could. She so provoked that they did not know what to do to please people.

Senior Citizens card club meets

The Senior Citizens Tuesday Club met last week in the 300 room of Tri-Mor Bowl for a luncheon and afternoon of pinolic games.

There were 44 members participating in the afternoon luncheon. A floral centerpiece donated by Willis Flowers was awarded to Belle Kreher and an arrangement was awarded to Oscar Ash.

Senior Citizens in the area are invited to attend the card game each Tuesday at 1 p.m. at the Tri-Mor Bowl, according to club officers.

Hilltoppers attend luncheon meeting

Twenty-nine members of St. John Hilltoppers Club attended a luncheon meeting last week at St. John United Church of Christ.

The Rev. Carl Eschenbrenner gave the opening prayer and presented a program entitled, "The New United Church of Christ" and compared the subject to the Apostles Creed.

After the meeting, games were played. The next meeting is to be Oct. 8 at the church.

Band Parents to meet Thursday

The first meeting of the Seward Band Parents will be held at 7:30 p.m. Thursday when election of officers for the forthcoming year will be held. According to Mrs. Glenna Fornaszewski, current president.

Parents of students enrolled in bands in Johnson, Mitchell, Niedringhaus, Nameoki, Prohard and Parkview Schools are invited to attend.

The meeting will be held in the Nameoki School cafeteria.

Mrs. Harper aids campaign

Mrs. Leonard (Brenda) Harper is leading the drive to "Breathe Life of March" in Madison to benefit the Gateway Chapter of the National Cystic Fibrosis Research Foundation.

Madison Mayor Mike Saayk has offered to send letters of appeal to Madison business firms and organizations on behalf of the campaign. This is the third consecutive year Madison has provided the help of firemen and policemen to distribute collection canisters to business establishments.

It is a job that ever since she has admitted Mr. Whittell has done well. Is it just what you can call friendship? Or is it like what we see in the papers now about our leaders—step on whoever and whatever, as long as you get what you want.

Do you know that all the drainage problems in the Dobry Slough area have affected only a few homes? The Hagens home is not one of them. Yet, her constant publicity of Dobry Slough has decreased the value of every home in this subdivision.

As I have stated before, it looks as though her motivations were political maneuvering for personal gain to get up that ladder, from the very beginning. Editor and people, what do you think?

Shall we have this, or shall we do as I for one, believe the American people are going to do—go Democratic this year. In Nameoki Township, it's Democrats for Whittell.

HARRY WARDS NAME SON THOMAS

Chief Warrant Officer and Mrs. Harry R. Ward of Fort Knox, Ky., formerly of Granite City are announcing the birth of their first child, a boy, on Sept. 11, at the Baptist Hospital in Louisville, Ky.

The new arrival has been named Thomas John Ward. He weighed five pounds, 11 1/2 ounces.

The mother is the former Patricia Randall, a daughter of Mr. and Mrs. Robert Randall, 1601 Broadway, at 1601 Broadway. Her grandparents are Mr. John Kravak, 2385 Waterman Ave.

CITY RADIO STOLEN

Elmer Smith, superintendent of streets in Madison, reported Friday morning that the government band radio valued at \$417 in a city-owned pickup truck was stolen during the night. The truck was parked in Smith's driveway at 1601 Broadway. Entry to the truck was believed gained by forcing a coat hanger, found near the truck, through weather stripping around the window and unlatching the lock.

BOAT MOTOR STOLEN

A two and one-half horsepower outboard motor valued at \$250 was stolen from the garage of Arley Hoffman, 711 Brown St. Vermon reported the theft at 1:30 p.m. Saturday.

Shower fetes Debbie Grace

Miss Cindy Akers, an October bride-elect, was honored at a bridal shower given by Mrs. Dorothy Kromraj and her daughters, Donna and Mary, in their home, 2650 State St.

An afternoon luncheon was served by the hostesses who used "Happiness is an October Wedding" as their decorating theme. They used "Peanuts" characters taken from the comic strip, portraying persons attending Lucy's wedding as table decorations, with orange and yellow accents.

Miss Akers will be married to Mike Wiiegus on Oct. 11 at St. Joseph Church.

Guests present include: Mrs. Lee Green and daughter Sheri, mother and sister of the bride-to-be; Mrs. Ann Wiiegus, mother of the prospective groom; Mesdames Sally Stevens, Mildred Kubisch,

Ricki Zellerman, Bennie Valencia, Jeanne Luperico, Shirley Valencia, Margaret Brooksher, Raymond Ruff, Nina Stevens, Sharon Smith, Ann Young, Ruth Evans, Kurt Kimbro, Carroll Kinbro, Dorothy Pulley, Andy Timko, Elanor Bacon, Clifford Gerling, Helen Kuback, Veronica Nizinski, Karen Pusczech, and Geri Burns.

Also invited were Misses Kathy Bittick, Theresa McGuire, Debbie Waugh, Pam Cross, Theresa Kichler, Mary Piechalski, Agnes Piechalski, Sheila Kuback, Frances Kuback, Karen Segar, Janet Segar, and Debbie Kierski.

Secretaries seminar set

The Alton Chapter of the National Secretaries Association will host its 17th annual seminar at Lewis and Clark Community College, Godfrey, on Saturday, Oct. 5, Mrs. Jeannette Apprill, publicity chairman, reports.

Theme of the day-long meeting will be "Spotlighting The Secretary Today and Tomorrow" and will feature guest speaker Mrs. Louise W. Saunders.

Mrs. Saunders is a member of the Southern Illinois University at Edwardsville Career Education Task Force and will speak on the topic, "Continuing Education for Women."

Registration will begin at 8 a.m. and the meeting will conclude at 2:30 p.m.

After luncheon, a magic show will be presented by Noble Wyatt, industrial relations manager at Owens-Illinois Glass, Inc., Alton, followed by a style show.

Deadline for registration is Sept. 30, which should be made with Mrs. Helen Ball, 27 Lee St., Bethalto, Ill. 62010. Admission fee is set at \$8 per person and \$4 for high school students. Tickets include luncheon.

Child Abuse film for Frohardt PTA

A lecture and movie on child abuse to be presented by a representative of the Illinois State Child Abuse Clinic will be featured at the first general meeting of Frohardt School PTA at 7:30 p.m. Tuesday, the president Mrs. Joyce Toussaint reported.

Mrs. Toussaint announced since the movie is not recom-

mended for children, entertainment and baby sitting for the youngsters will be provided during the meeting.

Also planned for the evening meeting will be the introduction of teachers by Lee Reid, principal. The annual PTA membership drive will begin that night.

Handling problem of youngsters' jealousy

By CATHERINE R. MAUCK
Madison County Extension Adviser, home Economics

Even though parents prepare children for the arrival of a new baby brother or sister, most young children experience jealousy.

A young child's jealousy of a new baby is basically fear of losing parental love combined with a great need to retain such love. Consequently, solving the jealousy problem takes time, understanding and a continued stable, loving relationship.

Several factors account for the feeling of resentment.

To begin with, the child has experienced a sense of being replaced by another. Also, he feels that he has lost some of his parents' love.

He has been accustomed to coming first with mother, and suddenly a little stranger seems to take much of her time.

One study of 46 children and their mothers showed that the behavior of the mother toward the first child did change in certain ways after the birth of a new baby. Decreases were noted in the amount of approval and affection shown to the child. And there was less intense mother-child contact and less babying of the older child.

Obviously, such changes could generate a sense of loss of parental love, and it's natural for the young child to hold the baby responsible.

Early jealousy may include suggestions for getting rid of the baby, and actual physical abuse such as biting, squeezing hard, hitting or play roughly.

Such behavior results in parental disapproval and, at times, punishment, which in turn increases jealous feelings. There is no foolproof way to

prepare a child for a new rival whom others seem to welcome with open arms. You might try these suggestions for minimizing jealousy:

—Make an extra effort to show the older child affection after the baby's birth.

—Show approval of the child as often as possible.

—Give him a few special privileges during the first weeks, without becoming overly indulgent.

—Understand and accept the child's feelings of jealousy, but limit their direct expression.

—Avoid negative comparisons of the child with the baby.

GRANTMASTER TIRE GUARANTEE

1. Tread Life Guarantee Against Road Hazards
We guarantee all Grantmaster tires against failure from all normal road hazards for the life of the tread with the exception of ordinary nail punctures, fire, theft, front-end misalignment, under-inflation, over-inflation and running flat.

2. Tread Life Guarantee Against Defects
We guarantee the Grantmaster tires, against all defects of material and workmanship, for the life of the tread.

Basis of adjustment: Should your Grantmaster tire require adjustment under Section 1 or 2 of the Guarantee, please return it to Grants and we will replace it by giving you a proportionate allowance for the unused tread, based on the current selling price, including Federal Excise Tax.

3. Guaranteed Against Tread Wear
The original tread is guaranteed not to wear out for the number of months designated. If tread wears out during this period, the tire should be returned to Grants and we will replace it, charging the current regular selling price plus Federal Excise Tax less the following percentage allowance toward the purchase of a new tire.

Tire Guarantee Allowance
18-27 Months 10%
28-40 Months 25%
The guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period by 50%.
